## **The Theology Of Time The Secret Of Time:**

**The Theology Of Time - The Secret Of Time** Elijah Muhammad, 2008-11-06 The Theology of Time is a 20 lecture book. The lecture series ranged from June thru October 1972. It wasn't uncommon to either hear him on radio broadcasts or one of his ministers. Having been prohibited to speak by Allah up to this point, this represented a significant occasion. Elijah Muhammad covered a wide and comprehensive overview of his entire program, concepts and lessons. This is by far the most wide-ranging example of his teaching. Many of the subjects he taught were scattered over the entire period, which is why in this direct transcribed version is made available, thus leaving the subjects in the exact order the Messenger taught them. There is also a subject-indexed version which grouped the subjects together instead of leaving them scattered. See ISBN 1884855628. Both are complete.

**The Theology of Time** Elijah Muhammad, 1997 **Theology of Time** Elijah Muhammad, 2002-08-08 The Theology of Time is a compilation of twenty lectures given by Elijah Muhammad, Messenger of Allah, between the periods of June 4, 1972, and October 29, 1972. The setting was the dedication of Temple 2, Chicago, IL, wherein the Messenger was the keynote speaker for the next twenty lectures. This was very significant in light of the Messenger being forbidden up to that time to speak. He stated that Allah had forbade him to come out until it was time. Excerpts from the lecture series were put into the Muhammad Speaks Newspaper; however, the entire transcript was not published until the early 90s by the former secretary of the Nation of Islam. The Messenger himself stated: "Since the time is helping me make manifest so much of what I am teaching, I want to give it to you, but can't do that until I get you on the first step. I got to go step by step to the first step to get you to see, but once you see, you will be like the donkey Balaam was riding. Remember the donkey had never had a conversation with an angel. He was confounded to see an angel standing before him, teaching him the knowledge of what he was carrying on his back. Allah is making manifest the truth all out in the streets all around you and above you, so we don't have to go after it like we did 40 years ago. What I've been saying is only to shape you for listening to the real thing that I want to give you. I have just now got up to the steps of what I intend to teach you, and seeing that you do not know these steps that I am taking, I build them all up one by one to you. Then when I get you up to the floor, you can take a seat and sit down."

**The Theology of Time** Elijah Muhammad, Abass Rassoull, 1992 The Theology of Time is a transcription of the last lecture series given by Mr. Elijah Muhammad. The tapes were transcribed by NOI secretaries, edited by the National Secretary Mr. Abass Rassoull. Mr. Rassoull then bound the book and presented it to Mr. Muhammad to get permission to have it printed. He was denied permission, saying they are not ready for this yet. Fifteen years after the departure of Mr. Muhammad, Abass Rassoull contracted U B U S Communications Systems to publish the book.

**The Secret of Time: Reconfiguring Wisdom in the Dead Sea Scrolls** Arjen F. Bakker, 2023-02-13 This book contributes to the rethinking of the Dead Sea Scrolls as an essential and integral part of Judaism in the Greco-Roman period. The Qumran manuscripts attest to the reconfiguration of Jewish wisdom concepts in this period. Strikingly, reflection on time as the

organizing principle behind all of reality is formative for these emerging concepts which are expressed by the enigmatic phrase *r z nihyeh* The secret of time invites us to venture beyond existing categorizations and explore a rich conceptual framework that is manifested across a wide range of texts beyond generic categories and overcoming the sectarian divide
