The Trouble With Angels

The Trouble With Angels:

Trouble with Angels SueEllen Holmes,2011-11-29 Nimbus and Celestial are the first divine on the Ethereal Realm since time unremembered Still even fledgling angels must prove themselves to earn a place in Seraph training with the revered Archangels And so far Nimbus is an unmitigated disaster his arrows go awry he s addicted to human food and the Nymphs run if there s the vaguest hint he ll attempt a spell When all the Gods and Archangels on the Ethereal Realm abruptly disappear it s up to Celestial their irresponsible Ambrosia swilling tutor Bacchus and Nimbus to put things right With his confidence lower than an orc s backside and his skills even worse how can one little fledgling angel hope to prevail against the vicious Fallen and their evil master Azazel If Nimbus fails this time the consequences for the Three Realms are far more dire than his punishment for torching Zeus eyebrows

Ida Lupino, Filmmaker Phillip Sipiora,2021-07-15 Ida Lupino Filmmaker begins with an exploration of biographical studies and analytical treatments of Lupino s film and television work as director moving forward to assess Lupino s career in film and television with particular attention given to Lupino s singular pioneering achievements and her role s within the cultural milieu s of her time particularly the representation of women in cinema Each chapter includes a close analysis of the film or television work with insights drawn from film history and cultural gender studies to demonstrate that Lupino was a significant directorial figure in the development of film especially in the late 1940s and early 1950s and in television extending well into the 1960s Lupino left her imprint on filmmaking and her canon of film and television work continue to influence Hollywood movie making The contributors to this volume assess Lupino s main strengths as a filmmaker her treatment of narrative movement plotting dialogue gender roles and uses of tradition representations of men and women in frames of parody and satire The book collectively examines the successes and failures of Lupino s directorial career including focusing on the reasons why she initially proved to be so strategic to the progress of women behind the camera

Ida Lupino, Director Therese Grisham,Julie Grossman,2017-05-23 Dominated by men and

bound by the restrictive Hays Code postwar Hollywood offered little support for a female director who sought to make unique films on controversial subjects. But Ida Lupino bucked the system writing and directing a string of movies that exposed the dark underside of American society on topics such as rape, polio, unwed motherhood, bigamy, exploitative sports and serial murder. The first in-depth study devoted to Lupino's directorial work, this book makes a strong case for her as a trailblazing feminist auteur, a filmmaker with a clear signature style and an abiding interest in depicting the plights of postwar American women. *Ida Lupino, Director* not only examines her work as a cinematic auteur but also offers a serious consideration of her diverse and long-ranging career, getting her start in Hollywood as an actress in her teens and twenties, directing her first films in her early thirties and later working as an acclaimed director of television westerns, sitcoms and suspense dramas. It also demonstrates how Lupino fused generic elements of film noir and the social problem film to create a distinctive directorial style that was both highly expressionistic and grittily realistic. *Ida Lupino, Director* thus shines a long-awaited spotlight on one of our greatest filmmakers.

Ida Lupino, Director, 2nd edition Therese Grisham, Julie Grossman, 2026-03-10

The updated edition of *Ida Lupino Director: Her Art and Resilience in Times of Transition*, an in-depth exploration of Lupino's film and television directing work, provides close readings of the films and TV episodes Lupino directed and accounts for the history of Lupino's reception continuing into the mid 2020s in media and film scholarship. The book gives readers a fuller understanding of Lupino's major contribution to the history of American cinema and media. The revisions update this book, the first on Lupino's directing, to address recent scholarship on Lupino's work and reinforce her abiding relevance for cinephiles and film scholars. It incorporates scholarly and popular culture references to Lupino in the last seven years. Updates include a foreword by writer and film critic Imogen Sara Smith whose work in film scholarship and the public arena has drawn attention to Lupino and the importance of gender to film noir. Authors Therese Grisham and Julie Grossman have added a complete list of the TV episodes Lupino directed in the 1950s and 60s as well as an updated epilogue. This new edition addresses how our views of Lupino's innovative cinema and her prodigious contributions to classic television have been taken up by others, proving that Lupino, whose reputation has waxed and waned since the middle of the twentieth century, is here to stay as a major figure in the history of American media.

All about Thelma and Eve Judith Roof, 2002

Inviting us to wallow in the middle, Judith Roof offers a fresh, inventive look at female comic secondary characters who, though never on center stage, play an indispensable role in enriching and complicating the course of the narrative. Paying attention to these characters shows that narrative is not always as straight as it might seem. Focusing on such superb comic seconds as Eve Arden, Thelma Ritter, Rosalind Russell, and Whoopi Goldberg, Roof explores what is queer about the middle in the sense of eccentric and, in terms of desire, and how that queerness functions as a part of and an antidote to narrative. Shrewd, pragmatic, self-denying, perceptive, outspoken, and witty, these female characters are able to cross the bounds of social groupings, gender expectations, and propriety, presenting possibilities that threaten the fitting ends of narrative closure norms such as

heterosexuality production knowledge and victory Roof characterizes female seconds as modern day versions of the Shakespearean fool able to speak the truth without being punished for it Discussing films ranging from Mildred Pierce Auntie Mame and Rear Window to Stage Door Sister Act and The Associate she shows how Hollywood's recasting of the wise servant figure as female unattached and lower class reflects more general cultural anxieties about the role of women gender confusion race and class distinctions She also tracks changes in the form and function of the minor and middle from the stylized hierarchical economy of classical Hollywood film to the expanded serial variety fitted to 1990s commodity culture A meticulous playful rereading of Hollywood classics from the margins All about Thelma and Eve registers both delight in these female characters and discernment of their integral role in unseating narrative and other norms *Cue*, 1966 **Queen of the 'B's** Annette Kuhn, 1995-08-24

Although Ida Lupino is best known as a leading actress in many Hollywood B movies her work as a filmmaker has been neglected by critics historians and audiences In the late 1940s Lupino turned writer producer and director in her own independent production company The films she made beginning with *Not Wanted* in 1949 were low budget pictures taking an uncompromising approach to controversial subject matter unmarried motherhood disability rape bigamy Lupino is exceptional as the only woman to have directed a visible body of films in the male dominated Hollywood of the 1950s The continuation of that directorial career in television throughout the 1960s strengthens the claim that Lupino is the most prolific and creatively powerful woman director ever to have worked in the moving image industry This book is the first extensive critical study of Ida Lupino's work as a director in both film and television It features in depth essays on each of the films she directed and on her work in television including such popular series as *The Fugitive* and *The Twilight Zone* with the most complete credit listing yet published of her television work Viewing Lupino's oeuvre in historical social industrial and aesthetic contexts all the contributors demonstrate that the work repays informed and sensitive readings and many consider it in light of contemporary feminist debates on cinema Queen of the B's is a long overdue reassessment of an important and pioneering director *The Trouble with Twilight* Steve Wohlberg, 2010-07-28
