The Trouble With Resurrection:

Trouble with Resurrection Bernard Brandon Scott, 2010-11 The Problem of the Future Life Alan Hugh McNeile, 1925 **The Homiletic Review**, 1904 **Penetrating God's World with the Gospel of Christ** Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you **My Message and how I Got to It...** Kenneth Sylvan Guthrie, 1899 Gregory the Great Frederick Homes Dudden, 1905 **A Short History of Christianity in the Apostolic Age** George Holley Gilbert, 1906 **The Problem of Life Considered** Samuel Edger, 1884 *When the Smoke Cleared* Kyla Sommers, 2023-04-25 Echoing James Forman Jr's *Locking Up Our Own* a riveting story of race civil rights and rebellion in Washington DC In April 1968 following the murder of Martin Luther King Jr a wave of uprisings swept across America None was more visible or resulted in more property damage arrests or federal troop involvement than in Washington DC where thousands took to the streets in protest against racial inequality looting and burning businesses in the process The nation's capital was shaken to its foundations When the Smoke Cleared tells the story of the Washingtonians who seized the moment to rebuild a more just society one that would protect and foster Black political and economic power A riveting account of activism urban reimagination and political transformation Kyla Sommers's revealing and deeply researched narrative is ultimately a tale of blowback as the Nixon administration and its allies in Congress thwarted the ambitions of DC's reformers opposing civil rights reforms and self governance And nationwide conservative politicians used the specter of crime in the capital to roll back the civil rights movement and create the modern carceral state A vital chapter in the struggle for racial equality When the Smoke Cleared is an account of open wounds paths not taken and their unforeseen consequences revealed here in all of their contemporary significance *Essays* Kenneth Sylvan Guthrie, 1899 **The Gospels and Their Stories in Anthropological Perspective** Joseph Verheyden, John S. Kloppenborg, 2018 Back cover How can social scientific approaches to the gospels advance biblical studies This volume offers the proceedings of a conference that brought together a number of expert biblical scholars specialists of ancient religious practices and proponents of an anthropological approach to ancient Christian and Greco Roman religious tradition **A First Century Letter** Nathaniel Micklem, 1920 *Christian Work*, 1895 **Trouble in Our Community: The Issue in Black and White** W. M. Phillips, Jr., Ethel D. Kanh,
