May you be blessed for each step you take towards unconditional Love. *Through the Grebbe-line to Eternal Life* Jozef Rulof, 2000 *Metaphysical Divine Wisdom on Universal, Physical, Spiritual and Soul Love* Kevin Hunter, 2019-07-04 The point of all existence in the end is connected to love whether that is love for another person, self love or universal and spiritual love. One of the main reasons all souls are here is to learn the nature of love. Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul. When you are in Heaven you truly understand what Universal love feels like. Love is the most powerful vibration that exists throughout all of time and space. Displaying hatred doesn't take much effort but to show love requires a complete soul do over in order to get back to that space your soul was born with. Love will always cost you something whether that's time or energy. Love will cost you pride when you need to let go of something that someone else did and extend the olive branch. Universal Physical Spiritual and Soul Love examines one of the most powerful vibrations that exists and that is love. There are divinely guided discussions on what it means to display Universal love and spiritual love. There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames before devoting a good chunk on the practical which is of great interest in the physical world. The mid section of this acts as a dating and relationship guide to finding a quality mate in a world dominated

by the darkness of ego This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere It would be awesome if every single person on the planet was keenly aware of their innate psychic abilities built into their soul s DNA because then Earth would be as close to Heaven as feasibly possible There would be never ending joy peace and love for every soul Everyone would be operating from a higher vibration while moving mountains in the process We see this kind of amazing uplifting joy in others when they re in a high vibrational state Universal Physical Spiritual and Soul Love has the goal and intention of filling the reader with as much as love as possible with the hope that it can motivate one soul back into their soul s natural state of love Some of the topics discussed in Universal Physical Spiritual and Soul Love include It s All About Love Creating the Life You Love Self Love and Self Care Karmic Soul Connections Soul Mate Soul Connections Twin Flame Soul Connections The Benefits and Challenges of Technology Dating Single and Longing for a Relationship Love and Relationships Love is a Battlefield Seeking Love Through External Validation Divine Soul Love Love Yourself Back to Life Bring Out the Good Vibrations Universal Spiritual Love and much more Let more Light into your soul s life with the Metaphysical Divine Wisdom collection of books Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include Psychic Spirit Team Heaven Communication Soul Consciousness and Purpose Manifesting Fearless Assertive Confidence Balancing the Body Mind and Soul Increasing Prayer with Faith for an Abundant Life and Universal Physical Spiritual and Soul Love *The Timeless Love of Twin Souls* Janet Kay Darling, Phillip George, 2014-06 A truly amazing story which shows how love transcends all time A personal testament to the fact that love is eternal that love endures and does not die when the physical body does Love transports us through all of our journeys but we need to remember this Twin soul love is powerful and a part of every individual where each of us seeks to find what we feel to be missing But how do you know when it s found How can you be sure about love when you have forgotten how it truly feels When two people discover their twin soul love for one another not only in this lifetime but also remember it from a previous lifetime then they can guide us all Finding love understanding love as well as appreciating our true self for who we really are continues to be shrouded in the mystery of our day to day earthly existence This enduring lack of understanding only serves to perpetuate an unwarranted sense of incompleteness and loneliness deep within us which all too often gives rise to feelings of fear despair and discontent So as a consequence we experience an insatiable desire to search for a mystifying something which we somehow instinctively know we need but have little or no idea where to even begin looking Concealed within this dilemma and even more perplexing lies the concept of our eternal soul This elemental but powerful you resides unacknowledged at the core of your very being while remaining seemingly silent as you journey in search of your ultimate happiness This subject alone has occupied the minds of philosophers throughout the ages but to be aware that we have another aspect to compliment our earthly existence is as intriguing as it is confusing To appreciate that each soul is but

one half of its twin gives rise to an important insight into what motivates our need to do the things that we do or to search for what we feel driven to find This remarkable story tells of two people Ron and Janet who not only found each other in this lifetime but were also together in a previous and very dramatic lifetime while being caught up in the revolutionary war which ultimately gave birth to the USA of today Through following their experiences trials traumas and triumphs plus journeys into the afterlife you will learn more about not only how they discovered themselves to be twin souls but how important this whole subject is and what it means to you In trying to figure out what compels you to do the things that you do while making the choices that you do then having an appreciation of the twin soul that you are brings an extra dimension of clarity Through coming to know yourself better then this inevitably leads to discovering your path towards your greatest happiness while attracting and expressing the love which you so dearly wish to experience along the way While reading an entertaining story you will find yourself being drawn in to a process which poses many questions about the life that we lead as well as what makes you who you are Combining real life experience with that of a fascinating journey into a world which we have virtually no understanding of then you will be led towards a greater appreciation of the love which is so important to you *Eternal Love* Maria Teresa Denis,2010-02-03 Dr Mark Morez child prodigy and now at the age of 32 is the top neurosurgeon in the world He could have never imagined that his life was about to totally change in 8 days With the help of Dr Thomas Jattan they developed and perfected the ability to transplant a healthy human brain from a diseased body into a healthy body that s brain has been destroyed Dr Morez a genius mind has always had a feeling that something was missing to make him complete until Ms Abigail Pe a came into his life with her mesmerizing emerald green eyes The extraordinary 72 year old cancer victim comes to the only man that can save her Her soul mate And that is when Dr Morez experiences the fastest and hardest roller coaster ride of his life and is re united with his Eternal Love Christian Register and Boston Observer ,1910
