Through Stormy Waters: God's Peace in Life's Storms Fred Davis, Judy Davis, 2013-06-01 WHERE IS GOD WHEN THE WORST HAPPENS When a yellow school bus rolled into Fred Davis pinned him against another car and dragged him forty feet through gravel he sustained multiple life threatening injuries His spinal cord damage prompted a neurosurgeon to predict years of hospitalization and painful rehabilitation The athletic 46 year old Presbyterian minister was stunned to overhear He may never walk again Fred s faith was put to the test as his carefully mapped out future was put on hold Through Stormy Waters God s Peace in Life s Storms tells a story of survival subsequent recovery and a life resumed Fred and his wife Judy transparently share their emotions struggles and the assaults on their faith Honest hope filled and faith building the Davis account of God s peace in a time of turmoil will encourage others experiencing the storms of life

Storms of Life Oyetutu Osibajo, 2017-02-15 This book demonstrates the awareness of storms and how real storms are based on individual experiences and Biblical application Storms of life cannot be prevented except through Gods grace and intervention This book makes us realize that there are different types of storms unexpected storm instant storm or financial storm to mention a few Whatever type of storm it may be it gives no notice before it manifest Storm is no respecter of any one it does not care about whom you are or your personality It does not recognize whether you are prayerful or not but it will strike The storm brought us sadness and hurt and some famine but yet we still rise by His Grace The book exposes us to the facts that there will be storms in life Storms are unpredictable and we should not allow our faith to be moved during the storm because there are times we feel like we have lost the battle However just as surely as the Lord is in control of our blessings He is in charge of our storms When things look the bleakest God will show up There is always an entry and exit to every storm The test always brings testimony if we put Jesus in the middle of the Storm It is safer in the storm with Jesus The book indicates various ways we can deal with storms of life without allowing it to affect our health During the storm we need to focus on God and take advice from the right people We should have faith and act to stop the storm Self pity cannot help but a courageous mind that will not accept defeat The storm is temporary and you will overcome it by Gods Grace through praying and trusting in the Lord
