****MOUNDS...** Continued from Page 1

According to a publication by the House Parks and Wildlife Department, the first comprehensive study of the park system in California is planned for next November. California Assembly Bill 1000, which would create a California Department of Parks and Wildlife, is expected to be passed by the Legislature this year. The bill would also establish a California Department of Parks and Wildlife, which would be responsible for the management of the state's parks and wildlife resources. The bill would also establish a California Department of Parks and Wildlife, which would be responsible for the management of the state's parks and wildlife resources.

These are, however, not the only reasons for the decline in the number of people who are interested in the study of the history of the United States. The decline in the number of people who are interested in the study of the history of the United States is also due to the fact that the study of the history of the United States is no longer a popular subject in the schools. The study of the history of the United States is no longer a popular subject in the schools because the study of the history of the United States is no longer a popular subject in the schools.
