Semialignment and Western Security Nils Ørvik, 2021-01-26 This book first published in 1986 is a major study of semialignment and a review of the individual nations within NATO to which the model could be applied Towards the end of the Cold War there arose within NATO this intermediate category between alignment and nonalignment whereby a member state enjoyed the status and facilities of NATO membership while disassociating itself from certain NATO programmes This book analyses the phenomenon and the possibility that it weakened the credibility of NATO deterrence and the defence posture versus the Soviet Union

Party Responses to Social Movements Daniela R. Piccio, 2019-03-11 Across the West the explosion of social movement activity since the late 1960s has constituted a participatory revolution that has posed profound challenges for formal political parties Through an analysis of new interviews institutional documents and a host of other largely unexploited sources Daniela R Piccio provides a rich and empirically grounded exploration of the wide ranging responses to these movements Focusing on Italy and the Netherlands since the 1970s Party Responses to Social Movements demonstrates how political parties have incorporated the demands of movements to a surprising extent even as both have grappled with fundamental and inevitable tensions between their respective roles and aims

The Ambivalence of Good Jan Eckel, 2019 The 20th century was marked by the emergence of human rights and their power to transform international relations but not everyone who claimed human rights wanted to make the world a better place while sometimes the benefits of human rights were unintended Eckel recounts a history that is complex polycentric and does not provide easy lessons

Margins for Manoeuvre in Cold War Europe Laurien Crump, Susanna Erlandsson, 2019-11-28 The Cold War is conventionally regarded as a superpower conflict that dominated the shape of international relations between World War II and the fall of the Berlin Wall Smaller powers had to adapt to a role as pawns in a strategic game of the superpowers its course beyond their control This edited volume offers a fresh interpretation of twentieth century smaller European powers East West neutral and non aligned and argues that their position vis vis the superpowers often provided them with an opportunity rather than merely representing a constraint Analysing the margins for manoeuvre of these smaller powers the volume covers a wide array of themes ranging from cultural to economic issues energy to diplomacy and Bulgaria to Belgium Given its holistic and nuanced intervention in studies of the Cold War this book will be instrumental for students of history international relations and political science

A Tiny Spot on the Earth Piet Rooy, 2025-10-01 In this survey of the Dutch political culture of the nineteenth and twentieth centuries Piet de Rooy reveals that the polder model often used to describe economic and social policymaking based on consensus is a myth Instead modern political culture in the Dutch Low Countries began with a revolution and is rife with rivalries among political and ideological factions De Rooy argues that because of its extremely open economy the country is vulnerable to external political cultural and economic pressures and Dutch politics is a balancing act between profiting from international developments and maintaining sovereignty The sudden rise of populism

and Euroscepticism at the turn of the millennium then indicated a loss of this balance Shining new light on the political culture of the Netherlands this book provides insights into the polder model and the principles of pillarization in Dutch society The Dutch edition of this book *Ons stipje op de wereldkaart* was awarded the Prinsjesboekenprijs for the best book on Dutch national politics in 2014 Survey of the Dutch political culture of the nineteenth and twentieth centuries **Library of Congress Catalog** Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards
