*Timely Truths for Toddlers to Tweens* Bonni Greiner,2013-09-25 As a busy mom of 4 boys age 5 and under I desperately wanted to obey the Bible mandate to Train up a child in the way he should go and when he is old he will not depart from it I could not however find a devotional to purchase that met my needs Some devotionals had lessons that required prep time that I didn t have Others used supplies that I didn t have on hand If they were simple and easy to use they weren t applicable for both my toddlers and my 5 year old Frustrated I decided to make my own devotional that worked with my limitations and that was age appropriate for my toddlers and 5 year old I built the devotional around 52 foundational truths that are powerful and easy to discuss In the years that followed God blessed us with 4 more children When the oldest children entered their teenage years I continued to use my devotional with the same positive results *Timely Truths for Toddlers to Tweens* contains 52 lessons that are built from biblical truths The lessons explain attributes of God and provide foundational truths of our Christian faith Each lesson starts with a question that will stimulate your child to think followed by a Bible reference and verses from the New International Version of the Bible Next the question is answered and a foundational truth is examined There are object lessons and or discussion questions for 50 of the 52 lessons
