The Unauthorized Guide To Bipolar Disorder

Michael B. First, Allan Tasman

The Unauthorized Guide To Bipolar Disorder:

The Unauthorized Guide to Bipolar Disorder Edward Linne, Jr., 2011-04-01 A few years ago I was having some success fighting my bipolar disorder and decided to write down a few pages I wanted others in my family to benefit from my knowledge in case something happened to me One thing led to another and I ended up writing a whole book The original written work was of poor quality and I spent thousands of dollars doing research to rewrite and verify everything I could The title is a bit of a misnomer Much of the advice is the best of what I learned on my appointments and from taking psychology classes and doing research on the internet I attempted to say what to do and why it's important I put the word unauthorized in the title to be up front with the reader that I am a peer and some of the information and advice is not what most psychologists and psychiatrists would give I am giving advice that I have found helpful and many others have found helpful too I went to libraries bookstores and other places but none of the books were giving advice anything like what I am giving you in this book In the final analysis there are no magic words a therapist can say or potions vitamin pills herbs that can defeat bipolar disorder The main avenue to defeating bipolar disorder is controlling what goes into your body Bipolar disorder is a chronic illness and defeating it requires hard work and discipline Sleep is another constant theme throughout the book If a person can get meaningful rest then mania and depression will subside If you want to know what someone who is winning his fight against bipolar disorder is doing then *The Unauthorized Guide to Bipolar Disorder* is the book for you Priced low for a limited time

The Top Books of the Year The Unauthorized Guide To Bipolar Disorder The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Unauthorized Guide To Bipolar Disorder : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
