Funny thing about Love is that we rarely see it coming especially for the first time It sidelines our hearts and repositions our minds The journey of falling in love is a road we all travel and discover the happiness the pain the countless emotions that unravel Journey Thru Love takes you down my path of falling in love for the first time As odd as the journey was I hold it dear because it was mine Peer deep into my sea of emotions in a time when I was drowning in love not knowing if I'd ever see the surface above So open your heart and your mind and travel this road with me As I pour out my heart and soul for you to see And in every line every poem my heart and soul is what you'll see
