Through A Mans Eyes Helping Women Understand The Visual Nature Of Men:

Through a Man's Eyes Shaunti Feldhahn, Craig Gross, 2015-07-21 What Happens When Women See What Men See You already know that your husband boyfriend or son is wired differently from you but do you know what that really means It means among other things that he s been given the gift of a unique visual wiring and the challenges that come with it In *Through a Man s Eyes* Shaunti Feldhahn and Craig Gross team up to help open our eyes to something we are often blind to They address questions like Why are guys so visual and what does that mean anyway How do I help my son navigate this sex crazed culture How dare someone tell a woman to watch what she wears Isn t it a man s responsibility not to look If he s tempted by visual images is there something wrong with him With me My husband is an honorable guy so why would he be tempted by porn How can I talk to my husband or son about this What can I do to support him Through the compassion and candor in this book we can learn what men have long wished we knew but didn t know how to explain and see the difference it makes when we do *Secrets of Sex and Marriage* Shaunti Feldhahn, Dr. Michael Sytsma, 2023-02-07 I highly recommend this insightful book to all married couples GARY CHAPMAN PhD author of *The 5 Love Languages Let s Talk about Sex* Most people are curious about sex and would love a few answers Are we normal Why isn t my spouse as interested in sex as I am I don t want to feel pressured but don t want to disappoint my spouse either what do I do How do we handle the impact of medication menopause porn ED pain Most importantly How can we get on the same page and create a thriving intimate life Sex is one of the most common marriage issues for example almost 80% of couples are mismatched in how often they want it but it doesn t have to be that way Relationship researcher Shaunti Feldhahn and renowned sex therapist Dr Michael Sytsma have identified eight simple transformational factors to help you move from disconnection to delight This is knowledge you can trust based on vast clinical experience and their breakthrough research including the largest nationally representative study ever conducted with married couples about sex This book is not a sex manual it is a fascinating practical field guide that will help you intimately understand your spouse and create the marriage you ve always wanted **Thriving in Love and Money** Shaunti Feldhahn, Jeff Feldhahn, 2020-03-03 Over 90 percent of couples experience some level of tension around money In fact money issues are the number one stressor in relationships So many books try to fix the surface problems such as how to budget and what to prioritize when it comes to finances but the issues go much deeper than just a simple spreadsheet How do men and women view money differently What do most couples fight about How can they get on the same page What questions should men women ask their significant others before marriage There are emotional and spiritual components to finances that most couples ignore How can you agree on a budget if you disagree with each other on the basic purpose of money *Thriving in Love and Money* is based on original research Shaunti and Jeff Feldhahn have conducted to get to the heart of these issues And just as they did with their bestselling books *For Women Only* and *For Men Only* they will use this research to provide the answers and insights you need to break the tension and provide the unity you re looking for Let
