Throwing The Elephant Or What Would Machiavelli Do:

Throwing the Elephant Stanley Bing, 2009-03-17 Stanley Bing follows his enormously successful *What Would Machiavelli Do* with another subversively humorous exploration of how work would be different if the Buddha were your personal consultant What would the Buddha do if he had to deal with a rampaging elephant of a boss every day That is the premise of Stanley Bing s wickedly funny guide to finding inner peace in the face of relentlessly obnoxious huge and sometimes smelly bosses Taking the concept of managing up to a new cosmic plateau Bing urges no less than a revolution of the spirit in the American workplace turning overwrought oppressed stressed out employees into models of Zen like powers of concentration able to take their elephant like bosses and grey lumbering companies and twirl them around the little finger of their consciousness In Bing s unique tradition of social criticism cum business self help *Throwing the Elephant* presents Four Truths or possibly Five a Ninefold Path and one useful hilarious guide to workplace sanity success and enlightenment that surpasses all understanding survival *What Would Machiavelli Do?* Stanley Bing, 2009-10-13 A sly send up of the successful *What Would Jesus Do* books here is a satisfyingly mean light hearted approach to business success the Machiavellian way Machiavellians may not get to heaven but on earth they have a definite edge on the competition In this pithy and discretely vicious guide Stanley Bing shows how the Florentine master statesman and political thinker would handle today s myriad corporate challenges seize the future by the throat and make it cough up money power and superior office space So what exactly would Machiavelli do He would exploit himself only slightly less than he exploits others He would be in love with his destiny He would for the most part be a paranoid freak He would always be at war He would cultivate a few well loved enemies He would have a couple of good friends too He would acquire his neighbor He would think BIG He would move forward like a great shark eating as he goes And much much more More than a road map to success this hands on guide will help anyone get what they want whether or not they deserve it **Sun Tzu Was a Sissy** Stanley Bing, 2009-10-13 A hilarious and tough minded guide to winning the war of contemporary life The Chinese philosopher Sun Tzu taught that readiness is all that knowledge of oneself and the enemy was the foundation of strength and that those who fight best are those who are prepared and wise enough not to fight at all Unfortunately in the current day this approach is pretty much horse hockey Sun Tzu was a Sissy will transcend all those efforts and teach the reader how to make war win and enjoy the plunder in the real world where those who do not kick gouge and grab are left behind at the table to pay the tab Students of Bing will be taught how to plan and execute battles that hurt other people a lot and advance their flags and those of their friends Immortal Life Stanley Bing, 2017-12-05 An ancient mogul has bought the power to live forever but the strong young body he plans to inhabit has other ideas The battle for immortal life begins in Stanley Bing s stimulating satirical and perhaps even visionary novel *Wall Street Journal Immortal life* A fantasy an impossible dream or is it The moguls of Big Tech are pouring their mountain of wealth into finding a cure for death and they are determined to succeed None of

these titans is richer than Arthur Vogel The inventor tech tycoon and all round monster has amassed trillions of dollars and rules over a corporate empire stretching all the way to Mars The newest and most expensive life extension technology has allowed him to live to 127 years but time is running out His last hope to escape the inevitable lies with Gene a human specifically created for the purpose of housing Arthur s consciousness The plan is to discard his aged body and come to a second life in a young strong host But there s a problem Gene He may be artificial but he is a person and he has other ideas As Arthur sets off to achieve his goal of world domination Gene hatches a risky plan of his own The forces against him are rich determined and used to getting what they pay for The battle between creator and creation is heightened as the two minds wrestle for control of one body Mixing brisk action humor and wicked social commentary author Stanley Bing has crafted an engaging and cautionary tale about the direction in which spaceship Earth is hurtling USA Today Welcome to a brave new world that is too familiar for comfort and watch the struggle for humanity play out to the bitter end You Look Nice Today Stanley Bing,2008-12-10 Robert Harbert better known as Harb is Executive Vice President in Charge of Total Quality CaroleAnne Winter is the assistant who runs his life But even Harb can t ignore that CaroleAnne s behavior is increasingly peculiar At the same time the vagaries of corporate power shift and suddenly both Harb and his Total Quality mandate are vulnerable It s at this moment that CaroleAnne levels a stunning charge that she has been the target of an organized campaign of sexual harassment from her first days at the company The investigation she demands will reach to the highest levels of the corporation and at its center she insists must be the greatest offender of all Harb Contemporary Authors New Revision Series Amanda D.
