**Thud Ridge** Jack Broughton, 1969 **Spy Planes, Intruders, and Wild Weasels** Thomas Wildenberg, 2025-10-28 *Spy Planes Intruders and Wild Weasels* examines the emergence of electronic warfare and SEAD as critical components of air strategy during the Vietnam War Utilizing declassified documents and firsthand accounts Thomas Wildenberg provides a scholarly analysis of technological innovation operational adaptation and interagency coordination in the evolution of modern aerial warfare The air war over Vietnam often termed the first high tech air war was the first to feature electronic warfare EW in a decisive role EW served not only as a means of defeating the surface to air missile which was also used extensively for the first time during this conflict but also as a way to improve the offensive and defensive capabilities of U S fighters in air combat *Spy Planes Intruders and Wild Weasels* provides a comprehensive account of this heretofore neglected aspect of air combat history Thomas Wildenberg draws from a wealth of declassified CIA and NSA documents as well as compelling accounts from veterans and technical experts to describe the tactics innovations and impacts of electronic warfare in air combat in Vietnam From the wide scale use of airborne jamming to the creation of aircraft like the EA 6B the first aircraft designed specifically for electronic warfare this definitive work illustrates the importance of EW in the history of the Vietnam War and the development of modern electronic warfare The author traces the impact of EW technologies through key phases of the war including Rolling Thunder Linebacker I and Linebacker II As the war progressed so did the sophistication of electronic warfare techniques It was the first conflict in which the suppression of enemy air defenses and the aircraft

**Singing the Vietnam Blues** Joseph F. Tusso,1990 The songs of the U S Air Force flyers during the Vietnam War written in the cryptic language of pilots and navigators aloft in their beasts a dozen angels up in the sky uniquely reflect the stark emotions and black humors of that ill fated war Veteran navigator Joseph F Tusso spent fifteen years collecting the lyrics for more than a hundred songs written or sung by U S Air Force flyers from about 1966 through 1969 Many of the songs authors are unknown But their lyrics even such jarring lines as those of Chocolate covered Napalm often are set to popular melodies such as The Wabash Cannonball Some songs have original tunes as well Twenty five of the 148 songs whose lyrics are included here were written by Dick Jonas the premier songwriter of the Vietnam era Air Force Many other songs appear in print for the first time Singing the Vietnam Blues begins with a personal overture that sets the stage for a play of war evoked emotions and lines that are less than sacred more than profane and sometimes poignant Some songs such as the Phu

Cat Alert Pad are based on historical events while others have their origins in popular myths such as Wolf Pack's Houseboy. Whatever the direct source of the songs it is the daily combat rescue or transport missions, the possibility of death and the fear, bravado and competition between pilots, navigators, planes and enemy flyers or bandits that generated the lyrics. Most songs are preceded by Tusso's explanation of each song's origin, other versions, references to current events or inside jokes and sometimes personal insights and memories. A glossary is also included.

Smith, 1979      **Thor's Legions** John Frederick Fuller, 1990

This book provides insight into the air force weather history from 1937 to 1987. Author John F. Fuller recounts the history of the Air Weather Service from World War II to the Vietnam conflict, introducing its courageous family of forecasters who provided vital weather support for the nation's armed forces and made notable contributions to the field of meteorology. It approaches controversial events leading up to the D-Day, Hiroshima and Nagasaki forecasts. I'd rate the book a gem as a reference book, especially for weather historians.
