Cook THANC Foundation, 2015-06-01 In the Spring of 2014 our former board member Carmela Sagendorf approached THANC with a novel idea. She wanted to create a cookbook the proceeds from which would benefit the Foundation. Carmela along with dedicated volunteer Carol Graybeal and Foundation staff collaborated to refine and publish a collection of healthy and delicious recipes. Altogether we assembled over 250 recipes from renowned chefs, former patients, THANC board members and staff filling the book from cover to cover. Now in its second edition, this colossal collection includes thyroid healthy, post-treatment friendly, gluten-free, heart healthy and vegetarian dishes. We intended to help those patients recovering from surgery and radiation therapy maintain a healthy diet while showing that preparing something that tastes good can also be good for you.
