Tierra Tragedia Classic Reprint Spanish:

Spanish Society, 1348-1700 Teofilo F. Ruiz, 2017-06-26 Beginning with the Black Death in 1348 and extending through to the demise of Habsburg rule in 1700 this second edition of *Spanish Society 1348 1700* has been expanded to provide a wide and compelling exploration of Spain's transition from the Middle Ages to modernity Each chapter builds on the first edition by offering new evidence of the changes in Spain's social structure between the fourteenth and seventeenth century Every part of society is examined culminating in a final section that is entirely new to the second edition and presents the changing social practices of the period particularly in response to the growing crises facing Spain as it moved into the seventeenth century Also new to this edition is a consideration of the social meaning of culture specifically the presence of Hermetic themes and of magical elements in Golden Age literature and Cervantes *Don Quijote* Through the extensive use of case studies historical examples and literary extracts *Spanish Society* is an ideal way for students to gain direct access to this captivating period

Spanish Society, 1400-1600 Teofilo F Ruiz, 2014-09-11 *Spanish Society* depicts a complex and fascinating country in transition from the late Middle Ages to modernity It describes every part of society from the gluttonous nobility to their starving peasants Through anecdotes a lively style and portraits of figures such as St Teresa of Avila and Torquemada the book reflects the character and humour with which the common Spaniard endured an often wretched lot Beginning with a description of the geography political life and culture of Spain from 1400 to 1600 the unfolding narrative charts the country's shifts from one age to the next It unveils patterns of everyday life from the court to the brothel from the haves of the aristocracy and clergy to the have nots of the peasantry and the urban poor Historical records illuminate details of Spanish society such as the transition from medieval festivities to the highly scripted spectacles of the early modern period the reasons for violence and popular resistance and the patterns of daily living eating dressing religious beliefs and concepts of honour and sexuality This compelling account includes historical examples and literary extracts which allow the reader direct access to the period From the street theatre of village carnivals to the oppressive Spanish Inquisition it gives an abiding sense of Spain in the making and renders vivid the colours of a passionate history
