## **Tigers And Cubs An Animal Family:**

*Tigers and Cubs* Emilia Hendrix,2015-12-15 Tiger cubs may be cute but give them a couple years and they're just as fierce as their protective mothers. This exciting book gives budding readers a first look at the lives these incredible cats live, searching for food and guarding their territory. Readers learn that mother tigers take care of their cubs who can't even see at birth. Colorful photographs also show tigers in zoos where readers learn that people take care of and study these cubs as they grow older.

**Madness** Jaimie Baron,Kristen Fuhs,2021-11-28 The third volume in the Docalogue series this book explores the significance of the documentary series Tiger King Murder Mayhem and Madness 2020 which became must see TV for a newly captive audience during the global Covid 19 pandemic. The series a true crime tabloid spectacle about a murder for hire plot within the big cat trade prompts interesting questions about which documentaries become popular in particular moments and why. However it also raises important questions related to the medium specificity of documentary in the streaming era as well as the ethics of both human and animal representation. By combining five distinct perspectives on the Netflix documentary series this book offers a complex and cumulative discourse about Tiger King's significance in multiple areas including but not limited to animal studies queer theory genre studies labor relations and digital culture. Students and scholars of film media, television and cultural studies will find this book extremely valuable in understanding the significance of this larger than life true crime documentary series.
