Time Management for Entrepreneurs Roger Basler, 2016-07-01. I don't know what you might want in life, but I know you don't want to waste time. I know you want to be able to live your life in full, giving as much time to your family and building yourself while doing exactly what you have to do within your business. This type of balance is seen as very difficult to many. We hear things like "24hrs is just too small to do so much" or "I will create time for that later, but later never comes." Yes, we've all been in positions where it seems we need more time within a single day, but the truth is we all have enough time at our disposal. Nature wasn't stupid to give us 24hrs in a single day. So the problem is not the time, but how to manage it effectively. In fact,

we actually have so much time on our hands that we have filled it up with things that have little or no positive impact on our lives This book shows you just that *Professional Time Management for Entrepreneurs* Jorge O.
