A Letter Hand Delivered Bradley S. McKee, 2014-08-02 A Letter Hand Delivered is a unique love fable written by Bradley S McKee A fable that brings a interesting spin on romance and love A tale that starts from having everything to having to find oneself again Bradley takes a moment of his life and paints it in a unique poetic kind of way A Fable where you follow the journey of four animals trying to survive in a world full of doubt **Glory** Dale Mayer, 2016-08-22 This collection is the first 3 books in the Glory series These books are Genesis Genesis and her sisters are the last of her maternal line the last of the stargazers except she is a dropout in the energy worker talent department Gentle non assuming Genesis Chandler is supposed to be protecting the woods as is her nature she's an energy worker but since Granny's death and her sisters leaving town she's lost sight of much in her life While she was living with blinders on someone else took advantage Connor has been called in to investigate the sacred forest Something odd is happening to the reserve and it's affecting the town's energy source That also means it's connected to the sacred pools He's got energy problems himself and needs Genesis to get to the bottom of this problem Genesis has no love for Connor His fault He loved her and left her not realizing he'd left the best part of himself behind his heart Can they work together to find out who is destroying their energy reserve a resource that's key to the life of all who live on Glory Their survival depends on it Tori Hurt and betrayed Tori has gone into hiding Anything to give her time to heal from losing the love of her life Devon came looking for her for all the wrong reasons He needs her help to save a large band of locals caught behind a weird energy pattern As an energy worker she can't turn her back on those in need She will help him but only if he disappears from her life forever He agrees but has no intention of honoring his promise She's finally let him back into her life he has no intention of screwing up a second time Tori isn't big on forgiveness but she is big on Devon Only the weird energy pattern was a problem a big problem and the start of something sinister Before she can work out what's going on the stakes go up and she realizes there might not be a future for either of them Celeste This is Matt and Celeste's story Being last sucked And so did going home less than triumphant Celeste is injured only this time it's her leg and not her pride There's no room for the latter when she's being stalked And

now someone is out to destroy her and her sisters Matt has been waiting for Celeste to return to him She was a strong energy worker and trying to track her down would be futile And pointless She d be found only if she wanted to be Considering she d stayed away as long as she had he worried that maybe she wasn t planning on coming back ever But Glory is heating up and life for Celeste and her sisters is coming up to crunch time They need her back And she s come back on her terms The three sisters must unite to fight the secret enemy in their midst and to preserve their way of life That means Celeste must make peace with herself and Matt before it s too late **Letters** Marrissa R. Dick,1997-01-01 *Love Letters from Heaven* Debbie Peterson,2018-01-17 After a failed miserable marriage Katie Adelton vowed she would never let another man into her life All of that changed with a single visit to the Normandy American Cemetery and an encounter with a handsome ghost from World War II A ghost that to her utter astonishment claimed to be her soul mate Sergeant William Malloy Griffin willingly gave his life for his country on the shore of Omaha Beach on D Day From that day forward he searched the entire earth for his lost love Once he found her it took everything in his power to break through the barrier that kept them apart Now a vengeful ghost is intent on destroying the heart of the only woman William will ever love What if the power of love can t conquer all
