The 10-Second Commute Terri R. Kurtzberg, Mason Ameri, 2022-10-18 Virtual work which was steadily on the rise even before the pandemic is explored in this timely book that describes the impact of technology on our work experiences ranging from the individual psychological level to the broad societal implications Widespread remote work is now possible but it comes with its share of frustrations Virtual work has changed our lives in ways big and small from trying to balance our time to what we wear and where we sit and from how we communicate to where we should look during a videoconference It s also fundamentally changed what kinds of jobs we can now do Grounded in research and including lively personal anecdotes The 10 Second Commute provides a thoughtful and comprehensive scan of the nature of virtual work The authors both researchers in management and technology explore the current questions of our virtual lives such as Why Zoom instead of Skype Why are emojis so useful Why is videoconferencing so exhausting How does diversity at work both help and hinder productivity Virtual work is more than just work it permeates our whole lives and it will continue to do so as hybrid work arrangements become the new normal Helping readers better understand the virtual work experience this book will engage and inform everyone who is still trying to make it work [How to Protect Your Privacy](#) Jeff Blum, 2023-11-18 More and more of our life is becoming digital Are you prepared to deal with the privacy and security implications As a digital nomad the author lives online more than most others and has sometimes had to learn about the issues involved the hard way As an online researcher he decided to take a comprehensive look at all aspects of cybersecurity and share that knowledge with you via this hands on guide to the ever growing and complex world of digital security The following major topics are covered Passwords Everything You Need to Know Protecting Your Computer Protecting Your Mobile Devices Protecting Your Files Encryption Protecting Your Online Activity Protecting Your Network Connection You ll also find helpful information and practical tips to secure your electronic devices avoid social engineering phishing attacks browse the Internet safely deal with social media privacy concerns remove your personal data from information brokers keep your cloud data safe avoid identity theft choose and use virtual private networks VPNs and preserve or pass on accounts in case of death Newer digital privacy issues like generative artificial intelligence GenAI passkeys and automotive privacy threats are covered as well Each topic is covered in detailed yet easy to understand language In addition throughout the book are references to almost 400 hundred useful resources **iPhone in Action** Christopher Allen, Shannon Appelcline, 2009-01-07 A complete and authoritative introduction to programming for the iPhone this book shows programmers comfortable with structured languages how to program specifically with the SDK It lets developers who are new to the iPhone technology dive right in and start creating applications **Unscrolled** Roger Bennett, 2013-09-24 Announcing a smart daring original new take on the Torah Imagine 54 leading young Jewish writers artists photographers screenwriters architects actors musicians and graphic artists grappling with the first five books of the Bible and giving new meaning to the 54 Torah portions that are traditionally read

over the course of a year From the foundational stories of Genesis and Exodus to the legalistic minutiae of Leviticus Numbers and Deuteronomy Unscrolled is a reinterpreting a reimagining a creative and eclectic celebration of the Jewish Bible Here s a graphic novel version of Moses receiving the Ten Commandments by Rebecca Odes and Sam Lipsyte Lost creator Damon Lindelof writing about Abraham s decision to sacrifice his son Here s Sloane Crosley bringing Pharaoh into the 21st century where he s checking out boils lice and plague of frogs on WebMD Plus there s Joshua Foer Aimee Bender A J Jacobs David Auburn Jill Soloway Ben Greenman Josh Radnor Adam Mansbach and more Edited by Roger Bennett a founder of Reboot a network of young Jewish creatives and intellectuals Unscrolled is a gathering of brilliant diverse voices that will speak to anyone interested in Jewish thought and identity and with its singular design and use of color throughout the perfect bar and bat mitzvah gift First it presents a synopsis of the Torah portion written by Bennett and then the story is reinterpreted in forms that range from the aforementioned graphic novel to transcripts stories poems memoirs letters plays infographics monologues each designed to give the reader a fresh new take on some of the oldest wisest and occasionally weirdest stories of the Western world while inspiring new ideas about the Bible and its meaning value and place in our lives

The Conceptual Foundations of Investing Bradford Cornell,Shaun Cornell,Andrew Cornell,2018-09-19 The need to know essentials of investing This book explains the conceptual foundations of investing to improve investor performance There are a host of investment mistakes that can be avoided by such an understanding One example involves the trade off between risk and return The trade off seems to imply that if you bear more risk you will have higher long run average returns That conclusion is false It is possible to bear a great deal of risk and get no benefit in terms of higher average return Understanding the conceptual foundations of finance makes it clear why this is so and thereby helps an investor avoid bearing uncompensated risks Another choice every investor has to make is between active versus passive investing Making that choice wisely requires understanding the conceptual foundations of investing Instructs investors willing to take the time to learn all of the concepts in layman s terms Teaches concepts without overwhelming readers with math Helps you strengthen your portfolio Shows you the fundamental concepts of active investing The Conceptual Foundations of Investing is ultimately for investors looking to understand the science behind successful investing
