himself has a memory from before the palace existed In her quest to help the servants Josie becomes embroiled in courtly intrigues alongside the enigmatic captain As their feelings for each other grow the hopelessness of their situation becomes apparent How can she love a man who doesn't know his own past To make matters worse they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear **Lola and the Four Calling Byrds** Dahlia Rose ,2019-12-16 An impulsive wish leads to pleasures Lola Reid never dreamed of Merry Christmas to her indeed Lola Reid is known as being tough in a man's world She has a reputation that men couldn't handle A bunch of whiners the lot of them She may melt like sugar for a man but he can't just be ANY man He has to EARN that luxury before she becomes sweet and submissive She was a girl from Bedstuy Brooklyn grew up to be a powerful woman in a corner office So she wasn't backing down for anyone Too bad her family treats her like a cash cow and shows her so much disdain From a brother who always calls her for cash to a family that berates her for not conforming to their way of thinking she's already to be done with this year She needs an escape and fast Lola will not be spending yet another holiday avoiding her friends and family or with just her toys for company Thanks to her awesome secretary and some quick planning she's headed to the Catskills for some needed pampering And when the New Year rolls in she would return to the city refreshed and ready to kick down more fragile male egos and conquer the world of investment finance But the holidays have a surprise in store for her After a wish uttered right before heading to bed she wakes up to the hottest man she's ever seen And she's seen some hot guys What The Fuck The explanation he and his brothers are there to please her and fulfill her every fantasy If this is a dream Lola doesn't need or want to wake up This Christmas she is diving into sensual decadence headfirst [Close Liaisons](#) Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://wwwcreatespace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re-read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person's mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer's impression is spot on The book can

be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding
