Cyber Monday Today:

365 Days Becka Dillon, 2017-05 Copied from back cover One poem per day 365 Days Started on my birthday April 21 and ended 1 year later this book is sometimes thought provoking sometimes inspiring and even entertaining The first of yearlong book projects 365 Days offers in poetic form a rare glimpse behind the curtain so to speak allowing the reader to see the process behind making and publishing the material

Briefcase Wisdom for a Backpack Culture Jerry Gano, 2019-10-14 Over five years ago God directed author Jerry Gano to pen daily posts on social media Over a thousand posts later Gano's bite sized Biblically inspired observations are collected in one place as Briefcase Wisdom for a Backpack Culture For each day of the year Gano has constructed a short relatable devotional accompanied by a corresponding Bible verse He intends to enlighten the curious reader with scripture and his own observations based on years of study and prayer in turn bringing them closer to Christ Gano has experienced trials heartache sickness and pain The enemy of his soul has attacked heartily but he is sure of one thing if God goes before him who can stand against him We are nothing in and of ourselves but with God leading and directing our paths everything will turn out okay

Urban and Regional Planning and Development Rajiv R. Thakur, Ashok K. Dutt, Sudhir K. Thakur, George M. Pomeroy, 2020-02-10 This book discusses urban planning and regional development practices in the twentieth century and ways in which they are currently being transformed It addresses questions such as What are the factors affecting planning dynamics at local regional national and global scales With the push to adopt a market paradigm in land development and infrastructure the relationship between resource management sustainable development and the role of governance has been transformed Centralized planning is giving way to privatization not only in the traditional regions but also in newly emerging regions of Asia Africa and Latin America Further attempts are being made to bring planning related decision making closer to the people who are most affected by it Presenting a collection of studies from scholars around the world and highlighting recent advances in the field the book is a valuable reference guide for those engaged in urban transformations whether as graduate students researchers practitioners or policymakers
