World Series Gaming Laptop This Month:

Finish Line Robert Wolgemuth, 2023-03-07 Facing your ultimate death can be scary but in light of God's promises it doesn't have to be. Finish Line provides practical and biblical help on topics such as finances, blessing others, end of life choices, heaven, and caring for those you leave behind so you can approach your own finish line with hope, joy, and peace. It's normal to have questions about how to face the last season of our lives well, and though we long to end our lives with grace and gratitude, sometimes we feel fear and uncertainty instead. Robert Wolgemuth knows what it is like to face death, having lost his first wife of almost 45 years to cancer and battling cancer twice himself. Finish Line distills a lifetime of spiritual wisdom as Robert helps you find true peace and reassurance about the end of life. Discover the things you can do to prepare those you love before you die. Understand the truth about heaven and what God has for his followers in the next life. Learn from people in the Bible about what crossing the finish line should and shouldn't look like. Take care of specifics such as planning your funeral service, determining end of life issues, and preparing a will. Let go of physical, relational, and emotional clutter. Receive what God has for you in your final years. A rich guide for this season of your life, Finish Line offers unvarnished, even lighthearted truth to comfort your heart, practical help to ease your mind, and a reminder of God's promises to comfort your spirit so you can look toward your own finish line with both peace and hope.

Times Square and Other Stories William Baer, 2015-08-03 In William Baer's *Times Square and Other Stories*, there are everyday characters walking extraordinary paths for love; there are smart, skillful characters struggling to reconcile their viewpoints and convictions with the status quo in fields such as art, education, the cinema, and religious doctrine. There is baseball and the story of the skills training and ethics of pitching in the big leagues. And there is war and an enemy invasion juxtaposed with a do or die chess game. The stories take us coast to coast from New York to LA, away to South America and overseas to Eastern and Western Europe. This is a fun-filled, fact-filled collection that smoothly melds scholarship with the everyday for unique, fresh, and highly intelligent stories which are also highly entertaining. PRAISE FOR TIMES SQUARE AND OTHER STORIES. How wonderful to come across such a serious collection of short stories. Not serious as in boring and tendentious, but serious as in grown-up, broadminded, large-hearted, sharply observed, and dryly, obliquely funny. Bill Baer's fiction kicks ass. Pinckney Benedict, author of *Town Smoke*. As elegantly written as they are inventive, the short stories in *Times Square and Other Stories* engage the reader all the way from the title piece, an ambitious tale that draws upon art, love, and the complex beauty of the human narrative, through eight other works that touch upon the timeless questions of what it means to create and to act, to be and to pretend. Baer's collection achieves that Horatian goal so sorely lacking in much of contemporary fiction: informing while delighting at the same time. The obligation to craft is taken very seriously in these pages, but the effort that undoubtedly went into their composition could easily be overlooked due to the skill with which they are rendered and the degree to which they are enjoyed. A. G. Harmon, author of *A House All Stilled*. *Times Square and Other Stories* William Baer's twice measured
