domain in which our longing for love is talked about. Movies, music magazines and books are the place where we turn to hear our yearnings for love expressed. Yet the talk is not the life-affirming discourse of the sixties and seventies which urged us to believe. All you need is love. Nowadays the most popular messages are those that declare the meaninglessness of love, its irrelevance. A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring 'What's Love Got to Do with It'. I was saddened and appalled when I interviewed a well-known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm: 'Love, what's that? Have never had any love in my life.' Youth culture today is cynical about love. And that cynicism has come from their pervasive feeling that love can not be found. Expressing this concern in *When All You've Ever Wanted Isn't Enough*, Harold Kushner writes: 'I am afraid that we may be raising a generation of young people who will grow up afraid to love, afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out. I am afraid that they will grow up looking for intimacy without risk, for pleasure without significant emotional investment. They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy. Young people are cynical about love. Ultimately cynicism is the great mask of the disappointed and betrayed heart.' When I travel around the nation giving lectures about ending racism and sexism, audiences, especially young listeners, become agitated when I speak about the place of love in any movement for social justice.

*A Necromancer's Guide to Dating* LUCY. QUINN, 2025-07-21. She's a scientist who trusts logic. He's a necromancer who trusts his gut. Their witness is a ghost who trusts his own matchmaking skills. Dr. Eva Mortensen believes in rules, order, and the quiet company of the dead. As the top forensic necromancer for the Bureau of Unnatural Affairs, her job is to get the facts, close the case, and keep her distance. But when a celebrity romance novelist is murdered, she's forced to partner with the one man who breaks all her rules: the charming, chaotic, and infuriatingly intuitive Dr. Adam Thorne. Their only witness is the victim himself: the ghost of Alistair Finch. And he's not talking. Alistair refuses to name his killer until Eva and Adam can prove they understand the very thing he built his empire on: true love. His condition is simple and insane: They must go on a series of dates, and he will be the judge of their romantic progress. Now, a by-the-book scientist and a go-with-the-flow psychic must fake a relationship to solve a murder. Between disastrous dinners, high-stakes heists, and escape rooms from hell, they uncover a conspiracy that goes far deeper than a single crime. But as their pretend dates start to feel dangerously real, Eva and Adam discover that the ghost's ridiculous demands might be the key to not only solving the case but also to healing the scars they've hidden from the world. And the greatest mystery of all might not be who killed Alistair Finch, but what happens when their forced proximity leads to an undeniable spark. *A Necromancer's Guide to Dating* is a full-length standalone romantic comedy with a paranormal mystery, witty banter, and a guaranteed happily ever after.

[Pour Decisions](#) Katrina Marie, 2025-08-07. He's my best friend; there's no way I can act on my feelings for him. Every day it's the same thing: when I clock in at our family-owned winery, take pictures, post them online, and answer emails. Rinse

and repeat I have big ideas to take Starlit Fields Winery to the next level but my family won't listen The one person who always has my back is my best friend Beau He's the best hype man I could hope for and has been since we were teenagers With his help I've put together a presentation to knock the socks off my family Except it doesn't work After a drunken night to blow off some steam I do the one thing I know I shouldn't Kiss him Now things are awkward To make matters worse he's still helping me convince my family I know what I'm doing Did I ruin our friendship Or open the door for something more
