**The Devil's Dictionary** Ambrose Bierce, 2018-12-27 AABASEMENT n A decent and customary mental attitude in the presence of wealth or power. Peculiarly appropriate in an employee when addressing an employer. ABATIS n Rubbish in front of a fort to prevent the rubbish outside from molesting the rubbish inside. ABDICATION n An act whereby a sovereign attests his sense of the high temperature of the throne. Poor Isabella's Dead whose abdication Set all tongues wagging in the Spanish nation. For that performance twere unfair to scold her. She wisely left a throne too hot to hold her. To History she'll be no royal riddle. Merely a plain parched pea that jumped the griddle. G J ABDOMEN n The temple of the god Stomach in whose worship with sacrificial rights all true men engage. From women this ancient faith commands but a stammering assent. They sometimes minister at the altar in a half hearted and ineffective way but true reverence for the one deity that men really adore they know not. If woman had a free hand in the world's marketing the race would become graminivorous. ABILITY n The natural equipment to accomplish some small part of the meaner ambitions distinguishing able men from dead ones. In the last analysis ability is commonly found to consist mainly in a high degree of solemnity. Perhaps however this impressive quality is rightly appraised it is no easy task to be solemn. ABNORMAL adj Not conforming to standard. In matters of thought and conduct to be independent is to be abnormal to be abnormal is to be detested. Wherefore the lexicographer adviseth a striving toward the straiter sic resemblance of the Average Man than he hath to himself. Whoso attaineth thereto shall have peace the prospect of death and the hope of Hell. ABORIGINIES n Persons of little worth found cumbering the soil of a newly discovered country. They soon cease to cumber they fertilize. ABRACADABRA By Abracadabra we signify An infinite number of things. Tis the answer to What and How and Why. And whence and whither a word whereby The Truth with the comfort it brings is open to all who grope in night. Crying for Wisdom's holy light. Whether the word is a verb or a noun Is knowledge beyond my reach I only know that tis handed down From sage to sage From age to age. **The Devil's Dictionary:Classic Edition(Annotated Edition)**

Prescription for Adversity Lawrence I. Berkove,2002 A Prescription for Adversity makes the revolutionary case that Ambrose Bierce far from being a bitter misanthrope was instead both a compassionate and moral author Berkove focusing on Bierce's short fiction establishes the necessity of recognizing the pattern of his intellectual and literary development over the course of his career The author shows that Bierce probably the American author with the most extensive experience of the Civil War turned to classical Stoicism and English and French Enlightenment literature in his postwar search for meaning Bierce's fiction arose from his ultimately unsatisfying encounters with the philosophies those sources offered but the moral commitment as well as the literary techniques of his authors particularly Jonathan Swift inspired him Dating Bierce's fiction and introducing uncollected journalism correspondence and important new literary history and biographical information Berkove brings new insights to a number of stories including A Son of the Gods and A Horseman in the Sky but especially An Occurrence at Owl Creek Bridge and presents compelling readings of the Parenticide Club tales and Moxon's Master A Prescription for Adversity substantiates how Bierce at his best is one of the few American authors who rises to the level of Mark Twain and the only one who touches Jonathan Swift A work of both biography and literary criticism this book rescues Ambrose Bierce and his literature from the neglect to which it has been assigned by ill founded obtuse and unproductive approaches based on skewed notions of his personality and forced or facile readings of individual stories      The Devil's Dictionary Ambrose Bierce,2021-04-03 ABILITY n The natural equipment to accomplish some small part of the meaner ambitions distinguishing able men from dead ones In the last analysis ability is commonly found to consist mainly in a high degree of solemnity Perhaps however this impressive quality is rightly appraised it is no easy task to be solemn ABNORMAL adj Not conforming to standard In matters of thought and conduct to be independent is to be abnormal to be abnormal is to be detested Wherefore the lexicographer adviseth a striving toward the straiter sic resemblance of the Average Man than he hath to himself Whoso attaineth thereto shall have peace the prospect of death and the hope of Hel      **A**
