**Benefits of Influencer Marketing in Tourism** Alina Fackler, 2018-04-17 Seminar paper from the year 2018 in the subject Business economics Offline Marketing and Online Marketing grade 2 0 University of Applied Sciences Deggendorf language English abstract Nowadays it is a decisive role for the image of a company to be represented on social media because it is one of the most important type of media in today's time The influence of traditional media is declining sharply Companies thus lose the opportunity to reach their target groups via these older communication channels At the same time almost 80% of adults are online and are spending daily 166 minutes on average in the web Consumers look at other consumers to inform themselves about products and services This is why a new segment of Marketing has developed so called Influencer Marketing It is a trend topic and many companies deal already with it Many tourism companies agree that Marketing of their offers is mostly online But customers do not exclusively inform themselves online Word of mouth from family and friends are still worth a lot Consequently the tourism companies cannot compete with personal relations Nevertheless there is an opportunity to work with bloggers and thus imitate the personal recommendation Most tourism experts are already actively using social media and look above all opportunities for stronger customer loyalty direct contact with customers but also for addressing new target groups The aim of the present work is to define Influencer Marketing and to work out the benefits for the tourism industry **Dollars and Sense** Dan Ariely, Jeff Kreisler, 2017-11-07 New York Times bestselling author Dan Ariely teams up with financial comedian and writer Jeff Kreisler to delve into the truly irrational world of personal finance blending humor and behavioral economics to help people understand the psychology behind their financial decisions and show them how they can make better ones He entertains critical questions such as these Why is paying for things painful Why are we comfortable overpaying for something

in the present just because we've overpaid for it in the past. Why is it easy to pay 4 for a soda on vacation when we wouldn't spend more than 1 on that same soda at our local grocery store? We think of money as numbers, values and amounts, but when it comes down to it, when we actually use our money, we engage our hearts more than our heads. Emotions play a powerful role in shaping our financial behavior, often making us our own worst enemies as we try to save, access, value and spend responsibly. In *Dollars and Sense*, bestselling author and behavioral economist Dan Ariely teams up with financial comedian and writer Jeff Kreisler to challenge many of our most basic assumptions about the precarious relationship between our brains and our money. In doing so, they undermine many of personal finance's most sacred beliefs and explain how we can override some of our own instincts to make better financial choices. Exploring a wide range of everyday topics from the lure of pain-free spending with credit cards to the pitfalls of household budgeting to the seduction of holiday sales, Ariely and Kreisler demonstrate how our misplaced confidence in our spending habits frequently leads us astray, costing us more than we realize. Whether it's the real value of the time we spend driving forty-five minutes to save 10 or our inability to properly assess what the things we buy are actually worth, the result not only reveals the rationale behind our most head-scratching financial choices but also offers clear guidance for navigating the treacherous financial landscape of the brain. Fascinating, engaging, funny and essential, *Dollars and Sense* provides the practical tools we need to understand and improve our financial choices, save and spend smarter and ultimately live better.

*You Are Dope* Ovie Soko, 2020-10-01

Whatever's happened before is in the past. Just do your thing. Don't fight yourself because that will make you more frustrated than anything. At the end of the day, it's the small gestures that speak the loudest. Ovie Soko won hearts all over the world during his time on Love Island UK with his openness and wise insights. Now he has a message for everyone: YOU ARE DOPE. You yes, YOU are exactly where you're meant to be right now. You're ready for what life is going to throw at you and you're ready to embrace life in all of its glorious complications. This book will help you find your way to peace and teach you to cherish the small moments that are a part of our big lives. Most importantly, it will show you how to love who you are right now and embrace who you are going to be.

### **Influencer Marketing. A Measurement Instrument to determine the Credibility of Influencers**

Christin Smuda, 2018-10-02

Bachelor Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1.0 University of Applied Sciences München language English abstract

The aim of this thesis is to develop a measurement scale to determine the credibility of influencers in today's digitalized environment. Thus, an extensive literature review will be conducted to reveal underlying dimensions, concepts and impact models of the social construct credibility. Those examinations will provide a well-founded overview of the current academic research in this field and will guide the author to the subsequent empirical investigation. Aligning with the structure of key sources, the researcher decided on a sequential exploratory research design consisting of a qualitative questionnaire which serves as reliable foundation of the subsequent quantitative questionnaire. Thereby, the qualitative survey aims to define and refine the items of
