**Helping Students Prepare for College Mathematics Placement Tests** Carmen M. Latterell, 2007. Placement tests are rapidly joining the ranks of high stakes testing and college freshmen are required to take mathematics placement exams to determine their first mathematics course upon entering college. Unfortunately these exams tend to place students in a lower level or remedial course. As a result additional expenses are incurred, degree programs are extended and scholarships awards and external funding are less likely. **Helping Student Prepare for College Mathematics Placement Tests: A Guide for Teachers and Parents** includes two sample placement tests, a guide that shows what entry course a student will be assigned with a given score and explanations on material that students might have forgotten or never quite understood. This guide is sure to help students excel.
