The Felix Chronicles Freshmen:

The Felix Chronicles R. T. Lowe, 2015-05-20 Reeling from a terrible accident that claimed the lives of his parents Felix arrives at Portland College hoping only to survive the experience In time however his reality star roommate shows him there is more to higher education than just classes shared bathrooms and bad dorm food and Felix gradually dares to believe he can put his past behind him But a fateful storm looms on the horizon In the nearby woods two hikers become the latest victims in a series of gruesome murders a disfigured giant embarks on a vicious cross country rampage killing teenagers who fail his test and an ancient society of assassins tasked with eradicating the wielders of a mysterious source of power awakens after a long silence Only one man the school s groundskeeper knows that the seemingly unrelated events are connected and that an eighteen year old boy stands in the center of the storm *The Felix Chronicles* R. T. Lowe, 2016-06-07 Felix and Allison return from winter break with hopes of settling into the comfortable rhythms of college life only to find Portland College hasn't escaped the wave of senseless violence sweeping across the land from the malls of Minnesota to a small town in northern Maine Amidst the chaos a political movement rises fueled by the turmoil threatening to tear the country apart As the public s discontent reaches a final tipping point a new hope emerges from an unexpected figure a man offering the promise of peace and security the prospect of freedom from fear When the line that separates allies from enemies blurs and good and evil becomes a matter of perspective Felix must make a choice But as the gears of a 2 000 year old prophecy grind inexorably to the future can Felix choose his own path or is free will as illusory as the salvation promised by a man destined to set the world aflame **The Chronicle** ,1878 *The Creighton Chronicle* ,1919 **The Law Student** R. S. Downst, 1929 *The Menorah Journal* ,1929 **Interquadrangular** George Frederick Gundelfinger, 1924 **The Chronicle** ,1973 *University Chronicle* ,1868 **Making Meaning** Jenny L. Small, 2023-07-03 This book addresses religion and secularism as critical and contested elements of college student diversity It both examines why and how this topic has become an integral aspect of the field of student affairs and considers how scholars and practitioners should engage in the discussion as well as the extent to which they should be involved in students crises of faith spiritual struggles and questions of life purpose Part history of the field part prognostication for the future the contributing authors discuss how student affairs has reached this critical juncture in its relationship with religious and secular diversity and why this development is poised to create lasting change on college campuses Section I of this book focuses on the research on spirituality faith religion and life purpose considers the evolution of faith development theories from not only Christian perspectives but Muslim Jewish atheist and other secular worldviews examines the influence of faith frames in students daily lives and addresses the impact of campus climate for religion spirituality as well as the relationship between religious minority majority status on student outcomes It concludes by tracing the pendulum swing from higher education s historical foundation in religion to the science focused religion averse 20th century and now to a fragile middle position in which

religious and secular diversity are being seriously considered and embraced Section II analyzes the role professional associations play in advancing the student affairs field s commitment to spirituality faith and life purpose the degree of support they offer to practitioners as they examine their own religious and secular identities and envisages potential new programming resources and networks Section III describes a number of programs and services developed by practitioners and faculty members working in this area on their campuses synthesizes these developments for an examination of where best practices stand today and imagines the future of institutionalizing higher education s support for students explorations of spirituality faith religion and life purpose Making Meaning provides a comprehensive resource for student affairs scholars and practitioners seeking to understand these topics and apply them in their own research and daily work **Reasons for**
