

Understanding and Treating Dissociative Identity Disorder

A Relational Approach

Elizabeth F. Howell

Treating Dissociative Identity Disorder

Gregory L. Nooney

Treating Dissociative Identity Disorder:

Understanding and Treating Dissociative Identity Disorder Elizabeth F. Howell, 2011-06-01 Building on the comprehensive theoretical model of dissociation elegantly developed in *The Dissociative Mind* Elizabeth Howell makes another invaluable contribution to the clinical understanding of dissociative states with *Understanding and Treating Dissociative Identity Disorder* Howell working within the realm of relational psychoanalysis explicates a multifaceted approach to the treatment of this fascinating yet often misunderstood condition which involves the partitioning of the personality into part selves that remain unaware of one another usually the result of severely traumatic experiences Howell begins with an explication of dissociation theory and research that includes the dynamic unconscious trauma theory attachment and neuroscience She then discusses the identification and diagnosis of Dissociative Identity Disorder DID before moving on to outline a phase oriented treatment plan which includes facilitating a multileveled co constructed therapeutic relationship emphasizing the multiplicity of transferences countertransferences and kinds of potential enactments She then expands the treatment possibilities to include dreamwork before moving on to discuss the risks involved in the treatment of DID and how to mitigate them All concepts and technical approaches are permeated with rich clinical examples

Understanding and Treating Dissociative Identity Disorder (or Multiple Personality Disorder) Jo L. Ringrose, 2018-03-08 This book provides all of the information a practitioner needs in order to begin work with clients with Dissociative Identity Disorder DID Drawing on experiences from her own practice and extensive research conducted with the help of internationally acclaimed experts in the field the author describes the development of DID and the structure of the personality of these clients The reader is guided through the assessment process the main phases and components of treatment and the issues and contentions that may arise in this work Throughout the text there are case examples practical exercises techniques and strategies that can be used in therapy sessions The resources section includes screening and assessment instruments as well as information on techniques for managing anxiety and self harm both of which can be major problems when working with clients with DID

Treating Dissociative Identity Disorder James L. Spira, 1996-06-14 A Volume in the Jossey Bass Library of Current Clinical Technique Discusses clinical treatment including cognitive therapy psychodynamic therapy short term in patient treatment longer term hospitalization and the correct use of hypnosis Also discussed is how the study of this controversial diagnosis reveals the inner workings of the normal functioning mind

Treating Dissociative Identity Disorder Sarah Y. Krakauer, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *Treating Dissociative Identity Disorder* Sarah Y. Krakauer, 2013-10-28 This is a book about the triumph of inner authority over the debilitating effects of trauma and abuse In a simple and straightforward style a three phase model for treating dissociative identity disorder previously known as multiple personality disorder is introduced The Collective Heart model is consistent with the current standards of care which emphasize caution and restraint

Additionally the Collective Heart model has several unique features It highlights the retrieval of personal authority rather than the retrieval of traumatic memories identifies the fundamental inner unity underlying the fragmented personality system and introduces techniques that facilitate communication between personalities and between each personality s conscious mind and the collective heart Six chapters of fascinating case vignettes illustrate therapeutic techniques and show how clients tap into their underlying inner unity to create the conditions for their own maturation making it safe for their alters to grow heal and eventually join the host as a seamless harmonious whole

The Diagnosis and Treatment of Dissociative Identity Disorder Ronald A. Moline,2012-10-04 The diagnosis of dissociative identity disorder formerly known as multiple personality disorder remains controversial despite its inclusion as an established diagnosis in psychiatry s Diagnostic and Statistical Manual DSM IV This book consists first of the detailed description of the treatment of a patient whose syndrome of DID emerged in the course of therapy by a psychoanalyst who entered into the therapy as a complete skeptic The therapist s willingness to explore the meaning and reality of the dramatic and at times bizarre presentation of this disorder in a prolonged and difficult treatment was accompanied by an eventual successful outcome Using this case as a reference point the author then provides a contemporary exploration of the literature about the authenticity of this diagnosis and approaches to its treatment

Guidelines for Treating Dissociative Identity Disorder (multiple Personality Disorder) in Adults ,1997 **Dissociative Identity Disorder** Hassaan Tohid,Ian Hunter Rutkofsky,2024-01-19 This book contains new evidence and more ideas for treatment and management of dissociative identity disorder DID It is written from the standpoint of an expert in the field for other professionals that deal with or are interested in DID Chapters are divided into 4 parts Part 1 acts as an introduction to understanding dissociative identity disorder such its history the different types of the disorder and its portrayal in popular culture The chapters in this part cover multiple personality disorder theories and epidemiology of the disease Part 2 discusses the pathology and neuroscience of the disease The comorbidities related to the disorder will be explained such as PTSD depression anxiety schizophrenia and more This part concludes with the potential causes of dissociative identity disorder which ties into the previously mentioned comorbidities throughout this part Supplementing the aforementioned topics Part 3 discusses management of the disease The chapters will cover modern psychiatry diagnosis and treatment options Drug treatment and psychotherapy are some examples of the treatment options available The authors share their experiences and perspectives of managing DID including clinical trials and recovery Finally Part 4 discusses the sociology of DID such as potential drug abuse social media presence and the difficulties that psychiatrists face in diagnosing the disease This part provides advice for clinicians and healthcare providers by sharing different perspectives from psychiatrists that encounter the disease Written by experts in the field Dissociative Identity Disorder serves as a valuable resource for psychiatrists and clinicians seeking to understand treat and manage the disease

Treating Dissociative Identity Disorder Introduction

In the digital age, access to information has become easier than ever before. The ability to download Treating Dissociative Identity Disorder has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Treating Dissociative Identity Disorder has opened up a world of possibilities. Downloading Treating Dissociative Identity Disorder provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Treating Dissociative Identity Disorder has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Treating Dissociative Identity Disorder. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Treating Dissociative Identity Disorder. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Treating Dissociative Identity Disorder, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Treating Dissociative Identity Disorder has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Treating Dissociative Identity Disorder Books

1. Where can I buy Treating Dissociative Identity Disorder books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
