comprehensive resource has everything students need to know about when they are preparing for and taking the ACT. The book contains information on how to register for the exam, proven test-taking strategies, ideas for preparing mentally and physically, gearing up for test day, and much more. This invaluable guide includes additional questions and material that contains articles on everything from preparing a standout college application and getting into your top choice school to succeeding in college. The bestselling prep guide from the makers of the ACT test offers bonus online content to help boost college readiness. Contains the real ACT test forms used in previous years. This new edition offers students updated data on scoring your writing test, new reporting categories, as well as updated tips on how to do your best preparing for the test and on the actual test day from the team at ACT. It also offers additional 400 practice questions that are available online. *The Official ACT Prep Guide, 2016 - 2017* ACT, 2016-05-18. Everything you need to know about the 2016-2017 ACT test with real full-length practice tests from the makers of the ACT. The Official ACT Prep Guide 2016-2017 is the bestselling resource for students gearing up for the ACT test. This comprehensive guide walks you through the entire test experience from registration through results with expert advice straight from the test's creators. You'll find effective test-taking strategies, tips for boosting your score on the English, math, reading, and science tests, and detailed information on the enhanced optional writing test. Three new full-length practice tests help you assess your readiness so you can spot weak areas well in advance, and the ACT experts provide valuable advice on preparing both mentally and physically so you can manage anxiety and be fully confident on test day. You also get free online bonus content to help you start college on the right foot, including tips for preparing an application that gets noticed, getting into your first choice school, being a successful student, and much more. The 2016-2017 version of the ACT guide includes a number of changes, including reading test sections with two shorter prose passages and the enhanced writing test's prompts. This guide provides a preview of what to expect for the entire exam so you can go into the test feeling fully prepared and ready to excel. Get insider tips and strategies from the exam's creators. Improve your score in all five content areas, including the optional writing test. Practice with full-length test forms taken from the actual ACT. Gear up for college with bonus online advice for a successful first year. The ACT is different from other standardized tests. It tests your accumulated skills and knowledge, so sheer memorization and vocabulary lists are unproductive prep strategies. For preparation strategies that actually make a difference in your score and beyond, go straight to the source with *The Official ACT Prep Guide 2016-2017*.
