following the 90 30 50 structure you'll have a flexible framework that works with your body not against it. You'll learn how to listen to your hunger cues, understand your energy needs, and give your body the nutrients it requires to thrive. Throughout this eBook we will guide you through the different stages of adopting the 90 30 50 Diet. We will discuss how to set realistic goals, plan your meals, track your progress, and overcome the obstacles that often trip people up when trying to make dietary changes. This approach is not about deprivation or feeling like you're on a diet all the time; it's about creating lifelong habits that make you feel your best inside and out. In the chapters that follow we'll go in depth about the science behind the diet, the importance of each macronutrient, and the role they play in your overall health. You'll learn practical tips for meal planning, prep ideas, and how to build a balanced plate that will keep you energized, satisfied, and motivated to stay on track.
