**Murder Wears a Little Black Dress** Debra Sennefelder, 2019-01-22 She's opened a stylish new consignment shop and the clothes are to die for Manhattan fashionista Kelly Quinn thought she'd left her Long Island town far behind until the Seventh Avenue expat returns home to revamp her grandmother's consignment shop into an upscale boutique and unwittingly sets a trend for murder. After her rising career as a Manhattan buyer is derailed, Kelly has mixed feelings about relocating back to Lucky Cove in spite of her big plans for the soon-to-be renamed Curated by Kelly Resale Boutique. What's left of her luck starts running out when a customer puts on a black lace dress that triggers visions of someone being murdered. As if the haunted Murder Dress isn't enough to kill business, the psychic's doppelganger cousin has just been found bludgeoned to death. Was Maxine LeMoine the real target or was it a case of mistaken murder? With some creepy pre-Halloween bargain hunters walking the night and Kelly suddenly a person of interest, a second murder rocks the close knit town. Now Kelly could be the one who ends up talking to dead people when she's stalked by a killer determined to take her out in high style.

**The Flying Brownie** Shirley Fan, 2013-05-07 A Food Network veteran expertly explains how to securely and attractively prepare and package food gifts for shipping. Highly recommended. Library Journal Whether it's a family member who lives across the country or a loved one away on business attending college or stationed abroad in the military, everyone loves to get a treat in the mail that says thinking of you. It would be even more meaningful if that treat could be homemade or is a number of different snacks, sweets and tastes of home to make someone living far away feel closer. Shirley Fan's *The Flying Brownie* is the first and only book devoted to making, packing and adding creative homemade touches for food gifts that can be shipped a long distance. It features 100 recipes for baked goods and other snacks and treats, each with precise storage instructions and storage times. The book also offers plenty of guidance in navigating the various rules and restrictions of postal services, customs and even secure military installations. Separate chapters are devoted to brownies and bars, cookies, candies and confections, breads and quick breads, extra light items for inexpensive shipping, savory foods and mixes to be assembled upon delivery. From a veteran of the Food Network Kitchens and a registered dietitian, this is a reliable and inspiring guide that is sure to bring those families and friends who live apart closer together through the very same thing that unites them when they live together: good food. This is such a good resource. This book is a one-stop shop for baked goods guaranteed to be shippable. *The Kitchn.com*

**The New York Times Index**, 2004 *Everybody Is Awful* Jim Florentine, 2018-02-20 A rant-ish memoir by the veteran stand-up comedian and former cohost of *That Metal Show* with a foreword by Jim Norton. Twitter Trolls, Facebook Freaks, Instagram Exhibitionists. These are just a few of the creatures our technology-obsessed culture has spawned in its quest to simplify our lives. The madness is so universal now that everyone has dealt with it. You log in to Facebook, read a stupid post and immediately want to tell your friend to go have relations with himself. Sure, social media may keep us connected, but it is a breeding ground for idiots and these idiots have crowd-sourced a

storm of useless information corny jokes and douchebag drama that's wasting our time and screwing with our peace of mind Thankfully popular comedian and television host Jim Florentine has a solution for those of us on the verge of bashing our iPhones to bits In Everybody Is Awful Florentine attacks awful people and awful situations with the same biting satire and cringe worthy humor that made him famous on television shows like Crank Yankers Meet the Creeps and That Metal Show Along the way Everybody Is Awful takes readers through the author's formative years a time filled with rebellion and horrible behavior to the crazy early days of his career as a stand up comedian Florentine also recounts how he developed an obsession with pranks that morphed into his uniquely vigilante style of comedy and made him one of the most legendary prank callers of all time Florentine excels at channeling the core rage we all feel at the seemingly small annoyances of life and his fans love the cathartic experience of his hilarious ranting and raving a tradition continued in Everybody Is Awful Acting as a de facto therapist Florentine diagnoses awful behavior shames awful people and offers comedic takes on how to reclaim our lives from it all
