Starbucks Barista Machine Manual:

Big Bang Disruption Larry Downes, Paul Nunes, 2014 It used to take years or even decades for disruptive innovations to dethrone dominant products and services But now any business can be devastated virtually overnight by something better and cheaper Software based products are replacing physical goods And every service provider must compete with cloud based tools that offer customers a better way to interact Today start ups with minimal experience and no capital can unravel your strategy before you even begin to grasp what's happening Never mind the innovator's dilemma This is the innovator's disaster And it's happening in nearly every industry The good news is that any business can master the strategy of the start ups In our summary of *Big Bang Disruption Strategy in the Age of Devastating Innovation* Larry Downes and Paul Nunes identify four key stages of the new innovation life cycle helping you spot potential disruptors in time And they offer twelve rules for defending your markets launching disruptors of your own and getting out while there's still time Back cover
