**The Ice Boat** Lazlo Ferran, 2014-03-23 The Abba like cleanness of Stockholm was getting to him He wanted to piss against a wall With plenty of drugs sex and rock and roll The Ice Boat is a modern rock and roll odyssey Dave has almost got it all with a rock star lifestyle romance and a nice flat in London he almost has the happiness he has worked for all his life But his reluctance to compromise in love takes him away from London to disaster in Rio de Janeiro Losing his identity and his heart to a scheming Brazilian siren he manages to evade the corrupt music biz sharks and ends up living with three prostitutes in Amsterdam This book navigates the seedy underbelly of the music world like a nuclear submarine magic mushrooms cocaine romantic pornography pop culture freaks toilet sex public sex and laughing in the face of death all put in a glimmering appearance in this edgy international road thriller Full of suspense and unresolved emotions The Ice Boat is a real 20th Century odyssey that will have you laughing and crying Somewhere between Ken Kesey or Jack Kerouac s On the Road and Nick Kent s Apathy for the Devil it s like a kind of two fingers up to those who mock real creativity and innocence in the performing arts Includes Chapter One of both the occult thriller Ordo Lupus and the Temple Gate AND Too Bright the Sun Paperback on Amazon Sample Chapter One It s because you are docile said Rosa pulling on a Gitane I know Well I m not docile I just don t see the point of conflict That s all I ve always preferred der harmony said Dolores Well the world is not a sweet and beautiful place darling said Rosa It s not as bad as you think it is Dolores replied Doh You dreamer This annoyed Dolores Listen You think all der men are shit And you shit on them too I do not Rosa replied indignant You do You screw them all out of more money than they can afford and you give them less It s true said Rosa smirking They luff it though They want to be exploited And anyway why shouldn t I exploit them Men always exploited me before What happened he asked Oh You don t want to know I could tell you so many stories Well tell me one Well there was this guy married okay While Rosa talked Dave s mind drifted As usual somebody had made a spliff from the abundance of grass that seemed to be always available in the flat They had already smoked it But the previous night Barbie had returned with a new distraction acid Dave had only tried acid once It had not been a good experience It had a reputation

for being dangerous to the more sensitive individuals He guessed he was one of those I was a student and I thought he loved me Rosa began I did everything to stop his wife from finding out I didn't wear perfume and made sure I didn't smell too much of soap I changed der patterns of when we met Oh yes and I checked his clothes for my hairs when he left I listened when he talked about his wife and he talked to me about der things at work We really liked each other We held hands And I was just thinking about whether I should ask him to leave her on not when one day he took me out in der car he said it was a surprise and stopped at a house He said This is it And I thought it was a surprise so I went inside This woman was looking at me smiling This is my wife he said I couldn't believe it I think my mouth was actually open I said What's going on and he said his wife and he wanted sex vid me I told him to Fuck off and I ran back to the car I just made him drive me back and I didn't see him again Is that weird Yes it's weird Dave replied It's insidious though all this she said indicating the room around her What do you mean Well I get more and more clients wanting me to control them and now I want to control everything in my life I don't think I'm actually like dat though It's just habit Yeah I'm der same said Dolores Dave asked me do I like Bondage and I said no It's true I don't and I don't like being abused or even restrained but it's like I am being remoulded Like a tyre with the tread made one way I find it easier to go that way now Dave smiled He was hardly listening He had been impressed since arriving in Holland by how good the Dutch were at speaking English But now he was even shocked Rosa had used an English word insidious which he didn't even know the meaning of He had heard it but didn't really know what it meant His mind was spiraling away thinking about it and words Although he wrote songs and even poetry sometimes and he was proud of his ability to do so he had also made a point of not using big words He said it was snobby to use big words and it alienated some of your audience He also made a point of not looking up words in a dictionary but always finding a simpler word He had believed that this was just his attempt to communicate better but now he wasn't so sure Now he was thinking that maybe he might have had an aversion to big words for a long time He also remembered that he had made a point of not reading books for many years during the period his teens when most people are reading a lot of books cynical What are you Dave Are you cynical asked Dolores Dave hadn't been listening No I think I should be more cynical but unfortunately I don't think I am not enough In the morning late around twelve when he knew Dolores would be just waking up he took in some breakfast to her on a tray toast marmalade and coffee She opened her eyes and looked at him from the sheets Mm Hi Brought you breakfast he said brightly you old tyre he added She snorted He meant it as a joke and he could see she thought it was funny He sat on the bed and after a few minutes grumpily she sat up She yawned and stuck her hands in the air stretching She was wearing a blue nightie with delicate little flowers on it Thank you she said and smiled She ate the toast and drank the coffee while they talked and then lifted the corner of the bed Get in she said Then she curled up beneath the covers herself He put the fire on moved the tray to the dresser and climbed into bed beside her He wriggled a bit and moved his legs around to feel for anything at the bottom of the bed He half expected a used condom to be there Don't worry I put on der clean sheets before I

go to bed you should know that you clean them She turned on her side facing the wall and he fitted into her shape putting his arm around her waist He thought she smelled very nice For a few minutes he was happy Then he felt desire creeping over him making his blood pound He hesitated for a long while before shifting his hand down over her arse She made no sound He lifted up the hem of her nightie which was near her waist anyway and slid his hand under her panties so that it lay flat against the flesh of her arse She made a whimper and for a nervous moment he thought it was in protest Then he understood that it wasn't That's nice she murmured He lay like that for what sometimes seemed like forever and he thought he even fell asleep at one point He told her about his dream the tower and asked her what she thought about it I'm not good at analysing dreams David Shall I tell you mine Go on then There was this little seal baby and I kept trying to catch it but it was slippery and kept getting away That's me I think so she said Eventually they had to get up and he had to return to his room to cook and wash The month of April was more of the same except warmer Dolores wouldn't let him touch any more of the interesting parts of her body but he was happy to have as much as he did The carpet didn't arrive and fed up with waiting she cancelled and ordered carpet from another company That delivery was also delayed Bing the Bong put in some more appearances as they gradually smoked their way through the huge bag of grass Dave had saved nearly one third of the money he needed for the fake passport by working in the bar and mixing for bands but he was almost permanently tired and had lost some weight as he wasn't spending anything on non essential food He had trimmed his moustache and beard but not cut them off and Rosa had trimmed his hair There's a letter for you Herman usually called out if there was any mail when one of them passed Barbie had picked his up and threw it into Dave's room as she passed I'm in a hurry See you later she called See ya Dave was living like a hermit or at least some kind of underground creature moving perpetually in and out of the lines of washing and piles of clothes and only venturing out to shops He finished folding the pile of washing lying on the bed and sat down to see who the letter was from It could only be one of a few people his father his brother or Anna They were the only ones with his address Looking at the writing on the envelope he knew it was his father He thumbed open the airmail envelope and started reading the neatly written well composed letter Hi Dave Everything is fine here It went on to say how much his father missed him and when was he coming home It also said that his father was worried about him and what was the problem with the paperwork could he help There was a short paragraph from Ewa at the bottom with some kisses Dave sighed after reading it He felt threatened by it and quickly tucked the letter behind some books He stuck on an Oasis album while he worked Dolores let him borrow her CD player from time to time and she was away for a few days visiting her Dad When Barbie came home later she stopped outside his door I've been on a date He bought me this She pointed at the leather mini skirt she was wearing doing a twirl at the same time What do you think God she's a gorgeous woman he thought He also felt a twinge of jealousy Nice he said Is he rich A bit The letter and this both irritated him and he went to bed like a grumpy bear that night The next day dragged and the next until the afternoon when he knew Dolores was due back When she finally

arrived dragging a suitcase up the stairs along the corridor and into her room she looked tired and irritable He left her alone for a while Later that evening she had no clients she came into his room announcing that he should get out more He didn't know what had brought it on but he kept quiet She showed him a magazine with films showing in the cinemas and asked him if he wanted to see a film called Carrington He hadn't heard of it so she translated the synopsis Sounds interesting Yeah let's see it It was about the Bloomsbury set of Artists in England and he could see it would interest him Yes Okay Good She left and he idly flicked through the magazine and found that it also had TV listings including those for that evening Dolores Dolores What he heard faintly from her room They've got 2001 A Space Odyssey on TV He got to the TV switched it on and tuned to the right channel It was clearly about one third of the way through but it was such a good film that he wanted her to see it anyway She stuck her head through the doorway What 2001 is on What's that You gotta see it It's brilliant especially the end I can't explain it now Just sit down and watch Okay Make me a coffee and I'll watch She sounded weary But wait She returned a few minutes later with a small plastic bag of something What's that Dave asked He handed her the coffee Magic mushrooms she replied She rustled the bag to entice him Oh Nice She handed him the bag He unsealed the top and took out one of the small cone topped mushrooms He held it up gently between his finger and thumb and rotated it Psilocybe semilanceata the most beautiful mushroom in the world It's not called Liberty Cap for nothing Ha You sound like one of those nature presenters on TV Ha Shall we make some tea with them Quick then While the film progressed Dave made some tea with the mushrooms and they both drank it The film had Dutch subtitles but the original soundtrack so he could understand it too During one of the many slow scenes of the film Dave spoke up I took these before with the band Stu Tom and Paul Great We were rehearsing in North Wales It was November but for some reason it was hot and sunny While he talked he sat down to lean against the end of the bed She moved to sit between his legs so that she could lean on him Probably the mushrooms she replied Shrooms we call 'em Yeah I loved 'em It's a gentle high and very natural I felt really joined with nature We walked along the cliffs and every so often we would go back to the cottage and have the most amazing jams What did you make the jams from Can you make it with mushrooms Ha Ha No not that sort of jams Music improvisation is called jamming Oh Ha Okay Wait I feel something I am gonna roll another spliff I do not like der computers she said at the part where HAL plays up It's creepy Why is he shinging dat song Dave had to explain about the song HAL sings As they reached the climax of the film they were also reaching the climax of their mushroom trip Oh God Dave yelled I forgot we've got to roll a spliff This bit is so psychedelic You've got to see this Shall I get Bing loaded up Yes Good idea I'm not sure if I can do this in time Bing was operational in time so they both had a few puffs to get them started By the time the final sequence was well underway Dave had a spliff rolled It was ragged but serviceable He lit it and passed it to Dolores He was already well away and the colours and sounds were as amazing as ever What's going on Wow she said The mushrooms made the vivid colourscape jump out of the screen at them Dolores actually swerved to avoid a bright burst of approaching red Great innit Fucking hell she
