Starting From Scratch One Classroom Builds Its Own Curriculum:

Starting from Scratch Steven Levy, 1996 The void he asserts too often prompts teachers to either return to the curriculum guide or try to implement projects developed by others *Every Book Is a Social Studies Book* Jeannette Balantic, Andrea S. Libresco, Jonie C. Kipling, 2011-02-01 This text offers a teacher and student friendly collection of lessons and activities that help educators use picture books to engage younger students in meaningful social studies activities and bring this critical subject back in elementary schools In order for today's children to succeed as adults they need a solid foundation of life skills inculcated at a young age Social studies is key to building this critical knowledge yet less attention is being paid to social studies in elementary schools as this subject becomes more essential The authors of this text have a solution use picture books as dual purpose texts that fulfill more than just language arts needs and take the time dedicated to those lessons to simultaneously teach social studies Each chapter of this text is organized around one of the National Council for the Social Studies Ten Thematic Strands covering diverse and engaging topics ranging from community and individuality to science and technology This book serves as a vital resource for classroom teachers methods professors staff developers and curriculum writers who prioritize keeping social studies a part of the elementary school curriculum **ENC Focus**, 1999

Differentiation in the Elementary Grades Kristina J. Doubet, Jessica A. Hockett, 2017-10-16 In this comprehensive resource for elementary school teachers Kristina J. Doubet and Jessica A. Hockett explore how to use differentiated instruction to help students be more successful learners regardless of background native language learning preference or motivation They explain how to Create a healthy classroom community in which students' unique qualities and needs are as important as the ones they have in common Translate curriculum into manageable and meaningful learning goals that are fit to be differentiated Use pre assessment and formative assessment to uncover students' learning needs tailor tasks accordingly and ensure that students are getting it Provide interactive learning experiences that encourage students to engage with both the content and one another Present students with avenues to take in process and produce knowledge that appeal to their varied interests and learning preferences Navigate potential roadblocks to differentiation Each chapter provides a plethora of practical tools templates and strategies for a variety of subject areas developed by and for real teachers Whether you're new to differentiated instruction or looking to expand your repertoire of DI strategies *Differentiation in the Elementary Grades* will show you classroom tested ways to better engage students and help them succeed every day Includes URL and password for free downloadable forms *Instructor*, 1996-08 *Avoiding Burnout* Betsy B. Nordell, 2020-12-15 Given the challenges facing educators today it is vitally important to understand the workings of teacher excellence Which teachers exceed state standards for performance and continue to exhibit passion and resilience in the classroom Beyond subject knowledge and teaching techniques what do exemplary educators know and do that could be adapted for use by others Exploring these questions serves as the basis for *Avoiding Burnout How Exemplary Teachers Find Fuel and Cultivate Success* The featured

educators among the most distinguished American teachers provide insight into their successful strategies with students parents caregivers colleagues and administration Their honest and thoughtful voices provide compelling evidence of how they navigate today s complex issues in education Concise connections to relevant research underscore the value of their perspectives This highly engaging and easy to use book is designed to spur thinking and conversation about what supports and inhibits educator success at all levels In small meaningful bites readers will learn what exemplary educators do why they do it and how it helps In this time of high teacher attrition we need to share ideas about how to succeed in the teaching profession
