

A small wooden boat is positioned in the lower center of the frame, floating on a calm body of water. The water reflects the vibrant colors of the sunset sky, which is a mix of deep purples, pinks, and oranges. Several dark, silhouetted clouds are scattered across the sky. The boat is a simple wooden rowboat with a small canopy or cover. Two ropes are visible, extending from the boat towards the bottom corners of the image, suggesting it is being pulled or anchored. The overall mood is peaceful and contemplative.

To begin with the end in mind means to start with a clear understanding of your destination. It means to know where you're going so that you better understand where you are now and so that the steps you take are always in the right direction.
