Iwoh, 2019-06-13 This book is an inspirational devotional and prayer guide it is written based on fresh inspiration that I have received from God in the cause of my daily walk with Him I have discovered that the more i pray the more I connect to God and hear from God And when I pray less I get disconnected from God I have also observed that Many Christians today also experience an unstable connection with God They are in and out of fellowship with God They can be on fire for God today and become lukewarm the next day This book is meant to help Christians pray and to maintain a stable connection with God The more you pray the more you connect to God There is so much evil happening in the world today that can make a Christian to easily disconnect from God Prayer is the key to maintaining a stable connection with God Pray and Stay connected to God Always May God bless you real good *Love Can Last* Sterling Hearn, 2012-11-06 Don t wait for your relationship to be in shambles before you seek relationship assistance By reading Love Can Last you and your partner will be able to get on the same page and succeed in your relationship This book will even help couples that already have a good relationship When we grow up there is no relationship 101 We have to learn about relationships from watching our parents and their risky trial and error approach When we choose our partners we are essentially taking a gamble that they are the one with whom we belong By loving them we are gently placing our heart mind body and soul in their hands We can only hope that they will love and respect us enough to keep us safe from unnecessary heartache and stress We can better prepare them for handling our emotions if we prepare ourselves for how we want to interact with our partner This book will help you and your partner get on the same page in your relationship These important topics in Love Can Last will help shift your perspective so that each of you can take more responsibility for the way that your relationship works Both partners have the power to steer the relationship clear of the pitfalls that lead straight to divorce By reading Love Can Last you will be able to incorporate key elements into your relationship that will help you get through tough times and
