Holiday Gift Guide This Week Setup:

Simplify Your Holidays Marcia Ramsland, 2008-09-16 Organization and simplification expert Marcia Ramsland tackles the holidays with an eight week plan designed to make Christmas a season of celebration not stress Most people begin to prepare for Christmas as soon as Thanksgiving is over which can create great stress since Thanksgiving happens at a different time every year However Halloween is consistently eight weeks before Christmas so beginning then ensures enough time to prepare and plan for both Christmas and Thanksgiving and to make this a season of joy for yourself and your family This planner addresses all the details of the busy holiday season including buying wrapping and sending presents sending Christmas cards home decorations and cooking and baking What sets this planner apart is a day by day plan that breaks every task into manageable pieces and a daily devotional journal that keeps the reader focused on the reason for all the activity encouraging a spirit of praise not panic Librarian's Guide to Passive Programming Emily T. Wichman, 2012-03-07

Learn the concept of passive programming and get started easily with plans for implementing a wide array of intergenerational programs in libraries with this professional primer Libraries are an integral part of the community a fact that can often be overlooked in today's world of home based online research Passive programs encourage patrons to linger either in the library or on the library's website and promote a connection to the library's collections its services and the community Librarian's Guide to Passive Programming Easy and Affordable Activities for All Ages presents plans for 32 passive programs designed to capture the attention of library patrons Each chapter which contains programs grouped thematically details the steps necessary to reproduce the programs and includes supporting handouts activities and photographs This helpful guide also examines what passive programming is why passive programming is relevant and offers strategies across all aspects of its implementation from developing program ideas to evaluating program success
