In *BANK 3.0*, Brett King brings the story up to date with the latest trends redefining financial services and payments from the global scramble for dominance of the mobile wallet and the expectations created by tablet computing to the operationalising of the cloud, the explosion of social media and the rise of the de-banked consumer who doesn't need a bank at all. *BANK 3.0* shows that the gap between customers and financial services players is rapidly widening, leaving massive opportunities for new non-bank competitors to totally disrupt the industry. On the Web and on Mobile, the customer isn't king; he's a dictator. Highly impatient, skeptical, cynical, Brett King understands deeply what drives this new hard-nosed customer. Banking professionals would do well to heed his advice. Gerry McGovern, author of *Killer Web Content*.

David Lavery,Cynthia Burkhead,2011-03-29 No recent television creator has generated more critical scholarly and popular discussion or acquired as devoted a cult following as Joss Whedon b 1964. No fewer than thirty books concerned with his work have now been published and ten international conferences on his work have convened in the U K the United States Australia and Turkey. Fitting then that this first volume in University Press of Mississippi's Television Conversations Series is devoted to the writer director and showrunner who has delivered Buffy the Vampire Slayer The WB 1997 2001 UPN 2001 3 Angel The WB 1999 2004 Firefly 2002 Dr Horrible's Sing Along Blog Webcast 2008 and Dollhouse FOX 2009 10. If Whedon has shown himself to be a virtuoso screenwriter script doctor director comic book author and librettist he is as well a masterful conversationalist. As a DVD commentator for example the consistently hilarious reliably insightful frequently moving Whedon has few rivals. In his many interviews he likewise shines. Whether answering a hundred rapid fire mostly silly questions from fans on the Internet fielding serious inquiries about his craft and career from television colleagues or assessing his disappointments Whedon seldom fails to provoke laughter and reflection. **The Business of Media**
