*Day Trade Futures Online* Larry Williams,2000-05-29 Wiley Online

Trading for a Living When to get in when to get out Build test trade a winning system Online brokers research market data For those who are well suited to day trading and short term trading the futures market is one of the best games in town As the original short term vehicle the futures market allows the trader to collapse the time frame in which he or she can reach the desired profit target or pain threshold As a result wins and losses are compounded much more quickly than in stock trading and in the case of wins often more profitably The ability to gain leverage with very little on margin gives you the trader the ability to earn more off smaller swings And enough home runs could allow you to become your own boss work from home in your bathrobe or even work from your cell phone while lying on the beach So far so good But what does it take to win In Day Trade Futures Online award winning veteran futures trader Larry Williams gives a no holds barred view of the risks and rewards of this increasingly accessible arena His straightforward approach to helping you determine your trading personality is the first step Then he offers traders what they really need strategies and tactics designed to beat the futures markets From hardware and software setup to trading psychology and successful strategizing this highly readable book covers all the bases needed to prepare you to trade online including Assessing your risk threshold Streamlining the glut of trading and price information to make it work for you The importance of knowing how to manage your money Choosing an online broker and utilizing other online resources such as news chat rooms and message boards When to get out of your trades Building a system based on Larry's time tested strategies and that's just for starters Also included are an appendix of basic futures concepts and a select bibliography of some of the best learning resources With good humor and brutal honesty Williams guides you in building the trading system that will work best for you GET IN ON THE ORIGINAL SHORT TERM GAME WITH BIG TIME PROFITS With unflinching honesty and decades of trading experience award winning veteran futures trader Larry Williams lends his expertise to the many aspects of futures trading online including Winning strategies Determining your trading personality The art of using the Internet Hardware and software solutions History and development of short term trading Praise for Larry Williams and day trade futures online Larry Williams the astute and experienced trader has presented the reader with many computer tested patterns that should give one an edge up in the hard world of day trading He not only gives the patterns he explains the why of market action and what it takes to be successful from a psychological and money management standpoint This is one of the best practical books ever written on

trading by a veteran trader Buy it John Hill President Futures Truth Co Larry possesses an incredible talent to differentiate between what is important in life as well as in the markets In his book he shares insights into market behavior and short term price dynamics that are useful to beginning and experienced traders alike Whereas most day trading books merely discuss the market in generalities Larry focuses on computer tested techniques that can actually help make traders profitable This is Larry at his best and finest Tom DeMark President Market Studies Inc author of New Science of Technical Analysis and New Market Timing Techniques Day Trade Futures Online is another must have Larry Williams trading book That's because nearly all the profitable futures traders I've known have attributed their trading success to an idea or concept learned from Larry When Larry speaks you better listen Gary Smith author of How I Trade for a Living *Clark's Horse Review*, 1901
