Call Is (Not That) Important to Us Emily Yellin, 2010-08-17 Bring up the subject of customer service phone calls and the blood pressure of everyone within earshot rises exponentially Otherwise calm rational and intelligent people go into extended rants about an industry that seems to grow more inhuman and unhelpful with every phone call we make And Americans make more than 43 billion customer service calls each year Whether it's the interminable hold times the outsourced agents who can't speak English or the multitude of buttons to press and automated voices to listen to before reaching someone with a measurable pulse who hasn't felt exasperated at the abuse neglect and wasted time we experience when all we want is help and maybe a little human kindness Your Call Is Not That Important to Us is journalist Emily Yellin's engaging funny and far reaching exploration of the multibillion dollar customer service industry and its surprising inner workings Yellin reveals the real human beings and often surreal corporate policies lurking behind its aggravating facade After reading this first ever investigation of the customer service world you'll never view your call center encounters in quite the same way Since customer service has a role in just about every industry on earth Yellin travels the country and the world meeting a wide range of customer service reps corporate decision makers industry watchers and Internet based consumer activists She spends time at outsourced call centers for Office Depot in Argentina and Microsoft in Egypt She gets to know the Mormon wives who answer JetBlue's customer service calls from their homes in Salt Lake City and listens in on calls from around the globe at a FedEx customer service center in Memphis She meets with the creators of the yearly Customer Rage Study customer experience specialists at Credit Suisse in Zurich the founder and CEO of FedEx and the CEO of the rising Internet retailer Zappos.com Yellin finds out which country complains about service the most Sweden interviews an actress who provides the voice for automated answering systems at many big corporations and talks to the people who run a website GetHuman.com that posts codes for bypassing automated voices and getting to an actual human being at more than five hundred major companies Yellin weaves her vast reporting into an entertaining narrative that sheds light on the complex forces that create our infuriating experiences She chronicles how the Internet and global competition are forcing businesses to take their customers' needs more seriously and offers hope from people inside and outside the globalized corporate world fighting to make customer service better for us all Your Call Is Not That Important to Us cuts through corporate jargon and consumer distress to provide an eye opening and animated account of the way companies treat their customers how customers treat the people who serve them and how technology globalization class race gender and culture influence these interactions Frustrated customers smart executives and dedicated customer service reps alike will find this lively examination of the crossroads of world commerce the point where businesses and their customers meet illuminating and essential **What to Say to a Porcupine** Richard S. GALLAGHER, 2008-04-12 What do a demanding colony of porcupines an upscale restaurant run by hyenas and a famous medieval knight have in common They are all part of one of the most entertaining and instructive books on customer service ever written What to Say to a Porcupine uses the format of Aesop's

ables to illustrate fundamental principles of customer service including By a Hare Great service is all about going the extra mile as learned by a group of rabbits running an express mail delivery service Bear with Me One grizzly bear s honey shop undergoes an amazing transformation when he discovers a better way to greet his customers What to Say to a Porcupine When a newly arrived colony of demanding porcupines wreaks havoc on local businesses readers get a lesson on handling difficult customers in a positive constructive manner Each story is followed by a short discussion illuminating topics from customer relationships to how to motivate a service team Fun quick and constructive this is a guide for anyone involved in customer service

**The Best Service is No Service** Bill Price,David Jaffé,2011-09-14 In this groundbreaking book Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences

**Convenience Revolution** Shep Hyken, 2018-10-02 Convenience is King. When you make it easier for customers to do business with you they will reward you with their money, their loyalty and their referrals. There's a reason they call it a convenience store because it's convenient. When you have to pick up a gallon of milk would you rather stop by a large supermarket or a 7 Eleven? Customers who shop at convenience stores know the selection is smaller and the prices are often higher yet they still come in droves because of the ease of purchase. What about the minibar in your hotel room? That's convenient too but the convenience comes at a cost. Did you ever stop to think that the same \$0.00 can of Coca Cola in the hotel's mini fridge can be bought down the hall from the vending machine for just \$1.25? Yet even with that can of Coke being four times more expensive hotels are restocking minibars every day. Customers will pay for convenience. And they'll choose to do more business over time with the people and companies that make their lives more convenient. Whether you're trying to out-service a competitor or disrupt an entire industry creating less friction and being more convenient for your customers should be your strategy. When you raise the convenience bar you create the next level of amazing customer experience. This book shows you how to leverage convenience as a powerful way to differentiate yourself from your competition. You'll learn six compelling strategies supported by numerous examples and case studies that will fuel your plan to create a focus on convenience for your customers. The value proposition is both simple and profound when you reduce friction and make it easier for customers to do business with you they'll reward you with their money, their loyalty and their referrals. That's the advantage of being a part of The Convenience Revolution.

## **Booktok Trending Near Me Customer Service Introduction**

In todays digital age, the availability of Booktok Trending Near Me Customer Service books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Booktok Trending Near Me Customer Service books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Booktok Trending Near Me Customer Service books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Booktok Trending Near Me Customer Service versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Booktok Trending Near Me Customer Service books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Booktok Trending Near Me Customer Service books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Booktok Trending Near Me Customer Service books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Booktok Trending Near Me Customer Service books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Booktok Trending Near Me Customer Service books and manuals for download and embark on your journey of knowledge?
