[Couponing Made Easy](#) Eve Baker, 2013-03-13 Hello Raising a family, making ends meet, and keeping food on the table can be a challenge these days. My husband and I sat down at the kitchen table one morning and discussed our situation. My youngest was just starting kindergarten, and my other two daughters were in elementary. There was no way that I could get a full-time job. It didn't make any sense to try daycare. Any paycheck that I would be able to bring in wouldn't cover three children in an afterschool program. And my girls still needed me, so we decided to try something different. Thanks to a few friends, I tried couponing. And couponing is fun! I started my journey toward saving money by piecing together advice from friends' blogs and through trial and error in the grocery stores. I know that many people were amazed about the extreme couponing shows and the possibility of buying three hundred bottles of mouth wash and six thousand toothbrushes. I agree that this is amazing, but as a stay-at-home mom, I just wanted to reduce my grocery budget every month. And not make my life more complicated. Really, what would I do with fifty toothbrushes when I simply want my kids to put away their laundry? Learning how to coupon took a bit of time. At first, I remember looking at the coupons on the table in front of me, wondering, "Was I really about to start cutting?" I felt that I was back in kindergarten. So we made a night of it: my husband and girls would sit around clipping coupons while I tried to get organized. Getting organized is key, believe me. After dozens of shopping trips to the grocery store, I learned how to organize a coupon plan. As my family enjoyed cutting our grocery bill in half, I shared the knowledge. A lot of people have asked me, "How do I start couponing, or where do I get coupons?" This led to teaching people one-on-one how to coupon, meeting friends for a fun night out at the grocery store, couponing... yeah, it's like that sometimes, and eventually, I began hosting coupon seminars at local churches, people's homes, and at schools. *Couponing Made Easy* is the How-to Coupon book.
