Understanding Difficulties in Literacy Development Janet Soler, Felicity Fletcher-Campbell, Gavin Reid, 2009-08-24 Based on current research debates and concerns this Reader adopts a cross disciplinary approach to understanding and working with those who experience difficulties with literacy. It provides a broad view of difficulties in literacy and related educational and curriculum learning issues across a range of ages, phases and settings. The Reader first considers questions of literacy before going on to look at literacy development in relation to issues and concepts in public reading debates. Literacy curriculum policy contexts, Community, family, society and individual identity, Social justice and equity issues and learning disabilities. This Reader is relevant to all postgraduate students of Literacy as well as educators, professionals and policy makers.

Fletcher-Campbell, Gavin Reid, Janet Soler, 2009-09-10 Literacy Development *Teaching Reading Across the Day, Grades K-8* Jennifer Serravallo, 2024-04-12 Reading well across disciplines and within varied contexts will help students to be versatile, flexible, deep readers who can better learn from their reading transfer skills across subjects and use strategies to meet the unique demands of reading in each content area. Jennifer Serravallo Research based, easy to use lesson structures for explicit and engaging teaching. In *Teaching Reading Across the Day* literacy expert Jennifer Serravallo provides nine effective, predictable research based lesson structures that help busy teachers save planning time and focus their teaching and student attention on content rather than procedures. Each of the nine lesson structures read aloud, phonics and spelling vocabulary focus, shared reading, close reading, guided inquiry, reader's theater and conversation has its own chapter and features a wealth of resources that let you see the lessons in action in ELA, Science and Social Studies classes including An annotated teaching vignette, lesson explanation and research notes, Tips for planning structure and timing suggestions and ideas for responsive teaching. Detailed planning templates and 22 accompanying online videos covering over 3 hours of classroom footage. Jen's reflections, key look fors and ideas for next steps. The nine lesson structures can be used with any curriculum or core program, text and subject, making it easier for teachers to maximize explicit and engaging teaching time across the day and simplify planning and preparation. Jen incorporates a wide range of compelling research about how best to teach reading to every student in your class and translates the research or the science of teaching reading into high leverage moves you can count on to deliver powerful lessons again and again. She also honors the art of teaching reading, helping teachers tap into their experience and hone their expertise to make quick effective classroom decisions that take student learning to the next level.
