our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner s song with the title boldly declaring What s Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what s that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You ve ever Wanted isn t Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice

Pour Decisions Katrina Marie,2025-08-07 He s my best friend there s no way I can act on my feelings for him Every day it s the same thing when I clock in at our family owned winery Take pictures post them online and answer emails Rinse and repeat I have big

ideas to take Starlit Fields Winery to the next level but my family won't listen. The one person who always has my back is my best friend Beau. He's the best hype man I could hope for and has been since we were teenagers. With his help, I've put together a presentation to knock the socks off my family. Except it doesn't work. After a drunken night to blow off some steam, I do the one thing I know I shouldn't: Kiss him. Now things are awkward.
