## BlueHeat Air Heater

# Car and Light Truck Auxiliary Heater Owner's Manual

### WARNING!

- Improper installation or repair of Webasto heating and cooling systems can cause fire or the leakage of deadly carbon monoxide leading to serious injury or death.
- **ALWAYS** carefully follow Webasto installation and repair instructions and heed all **WARNINGs**.
- Webasto heating and cooling systems require qualified and/or professional installation and repair technicians. Warranty shall be void if not installed by a certified or trained installation/repair technician who has successfully completed the factory training course for installation and repair of Webasto heating and cooling systems, and has been provided with the technical information, tools and equipment required to properly complete the necessary installation/repair.
- Webasto rejects any liability for problems and damage caused by the system being installed by untrained personnel.
- When heater is in use, the surface of the hot air outlet may become hot to the touch. Contact with skin may cause burn.
- Product produces temperatures high enough to ignite surrounding combustible materials such as inflammable liquids, gases, vapor, and other combustible matter. The heater must be switched off when loading or unloading inflammable materials to prevent the risk of explosion.
