**Modernity and Politics in the Work of Max Weber** Charles Turner, 2002-11 This rich and assured book is a major contribution to the growing Weber industry It reveals Weber s theory of modernity in a new and unexpected light [The Life of an Ordinary Man in the Hands of an Extraordinary God](#) John Gowan, 2021-12-14 Have you ever felt ordinary Do you feel as if your life doesn t really count for much Are you feeling defeated because of past or current failures Are you wondering if there even is a God who cares about you and has a plan and a purpose for your life Life can be very discouraging at times and it is easy to slip into an attitude of despair and defeat Looking back over the course of his life author John Gowan came to realize that God did have a plan for his life greater than anything he could have imagined as a child as a teenager or as a young adult Most of us have seasons of life that make it seem as if we are going nowhere It wasn t until he was in his early forties that John even came to have faith in Christ But that faith has made all the difference in his life and the choices that followed In this book John not only chronicles his faith journey from childhood to adulthood but also shares insights on such topics as the end times and what kind of legacy we should want to leave He will challenge you to think outside the box in his chapter Things to Ponder Many today feel that we are living in very distressing times when not only our individual lives but life in general seems very uncertain It is times like these that make seeking to grow your faith in a loving God even more important What was true for the author is also true for you as you seek to know the one who created you and loves you so much that He sent His only Son to die for you **Catalog of Copyright Entries.
