solve Practical guidance for managing stress improving sleep and decreasing anxiety without trying to fix your pain How to help the people you love with essays to teach us the best skills checklists and suggestions for supporting and comforting others through the grieving process Many people who have suffered a loss feel judged dismissed and misunderstood by a culture that wants to solve grief Megan writes Grief no more needs a solution than love needs a solution Through stories research life tips and creative and mindfulness based practices she offers a unique guide through an experience we all must face in our personal lives in the lives of those we love and in the wider world It s OK That You re Not OK is a book for grieving people those who love them and all those seeking to love themselves and each other better     **The Official Guide**
