work of today's artists The Pictographs of Adolph Gottlieb published in conjunction with an exhibition seen at The Phillips Collection The Portland Museum of Art Maine The Brooklyn Museum and The Arkansas Art Center provides the first comprehensive survey of an important body of work produced by one of the seminal figures of Abstract Expressionism who was also one of the most influential and successful artists of his generation It presents sixty five works in full page color plates chosen from more than three hundred in the series many of them have not been reproduced in fifty years and some are seen here for the first time It also includes an intriguing array of essays by eminent scholars and critics exploring every aspect of the subject BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
