## **The Story Factor Annette Simmons:**

**The Story Factor** Annette Simmons, 2019-10-08 Fully revised updated and expanded this modern classic will teach you to use the art of storytelling to persuade motivate and inspire in life and business Anyone seeking to influence others must first know their own story and how to tell it properly Whether you re proposing a risky new venture trying to close a deal or leading a charge against injustice you have a story to tell Tell it well and you will create a shared experience with your listeners that can have profound results In this modern classic Annette Simmons reminds us that the oldest tool of influence is also the most powerful Fully revised and updated to account for new technology and social media along with two new chapters on the role of stories in the development of civilization and how to adjust your story to your specific goal Simmons showcases over a hundred examples of effective storytelling drawn from the front lines of business and government as well as myths fables and parables from around the world Whether writing a screenplay or announcing a corporate reorganization Simmons illustrates how story can be used in ways that cold facts bullet points and directives can t These stories combined with practical storytelling techniques show anyone how to become a more effective communicator and achieve their goals

**Summary of Annette Simmons's The Story Factor** Everest Media, 2022-06-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Skip told the stockholders a story about how he had gotten mixed up while drawing electrical engineering plans for a boat building company He had been so sure of himself that he had transposed starboard and port which made the drawing an exact mirror image of what it should have been 2 Story is your path to creating faith Telling a meaningful story means inspiring your listeners to reach the same conclusions you have and decide for themselves to believe what you say and do what you want them to do 3 To influence someone you must first establish enough trust to successfully deliver your message Their trust in who you are becomes the connection that serves as a conduit for your message 4 It is human nature to erect barriers and suspicions to protect ourselves You need to establish a connection with your audience in order to influence them They will judge your credibility based on their judgments about who you are and why you are there
