 comprehensive sight word learning and practice workbook Once your child has mastered these key words they will Read far
 more fluently Write with greater ease Spell with increased accuracy Boost reading comprehension Accelerate language
 learning Why Your Child MUST Master Sight Words Sight words are a set of words that constantly appear on almost any
 page of writing such as who does come we They are the building blocks of written language However many sight words
 cannot be sounded out because they do not follow the standard rules of spelling The child has to memorize sight words as a
 whole by sight so that they recognize them immediately without having to decode the spelling The problem is that minimal
 instruction is given by teachers and parents Often little more is done than showing the word to the child and telling them
 what it is However for many children this is not nearly enough As a result their reading and comprehension of these crucial
 words is lacking which significantly brings down their overall reading ability Scholdener s Sight Word Workbook is the
 solution A Multi Dimensional Approach Educational research has shown that the best technique for learning sight words is

 phrase to reinforce how the word is used in context Scholdener s Sight Word Workbook is the only workbook that uses this
 multi dimensional model for each and every one of its 200 words This ensures that the child really grasps the sight word
