Global Strategy Sali Li, Noman Shaheer, 2025-01-07 Global Strategy is a groundbreaking textbook that redefines the field of global strategy shifting the focus from scaling established businesses to creating innovative businesses responding to international market needs. It equips future multinational leaders with the tools and insights needed to succeed in the rapidly evolving world of global business.

Writing and Editing for Digital Media Brian Carroll, 2025-12-12 An essential guide to writing and editing for digital media, this sixth edition responds to the mainstreaming of genAI, Generative AI, and LLMs, Large Language Models, among many other changes in the best practices of digital storytelling. Carroll explains and demonstrates how to effectively write for digital spaces and places that typically abound with graphical content, multimedia, and hypertextual interactive elements. He also combines hands-on practical exercises with information on key topics such as misinformation and disinformation and the proliferation of artificial intelligence. This new edition specifically explores the ethical questions raised by AI as well as the new possibilities it presents. Each chapter features lessons and exercises through which students can build a solid understanding of the ways that digital communication provides opportunities for dynamic storytelling and multi-directional communication. It also speaks to writers, editors, public relations practitioners, and social media managers and marketers. Updated with contemporary examples and new pedagogy throughout, this is the ideal handbook for students seeking careers in digital media, particularly in content development and digital storytelling. It is an essential text for students of media communication, public relations, marketing, and journalism who are looking to develop their writing and editing skills for these ever-evolving fields and professions. This book also has accompanying Support Material that offers additional weekly activities and assignments, providing students additional opportunity to put theory into practice.

Hyper-Speed Artificial Intelligence Digital Marketing (AIDM) Technology Certification Coursebook Srinidhi Ranganathan, Stop learning digital marketing the outdated way. Forget everything you think you know about digital marketing. The tactics that worked last year are dead. The tools you're using today will be obsolete in 6 months. The agencies charging 50 lakh rupees per month for digital marketing solutions are about to become irrelevant. This book isn't about the past of digital marketing. This book is about the future. And it's written by someone already living in it. Srinidhi Ranganathan, known as Digital Marketing Legend, has been teaching AI-powered digital marketing since 2006, before most people even knew what AI meant in business. He's watched the landscape transform completely. He's built systems that generate results in days that competitors take months to achieve. Now he's sharing everything. In Hyper-Speed Artificial Intelligence Digital Marketing AIDM Technology Certification Coursebook, Srinidhi reveals the exact frameworks, tools, and strategies he uses to compress 12 months of marketing execution into 30 days. Create 20 pieces of content in the time it takes others to create 1. Automate sales processes that used to require entire teams. Scale businesses 5X to 10X in the first year. Build AI-powered marketing machines that work 24/7 without his involvement. This isn't theory. This isn't inspiration. This is the practical.

blueprint Srinidhi uses with startups and corporations The same blueprint that has generated millions in revenue The same frameworks his premium consulting clients pay 1 lakh rupees per month to access Now it's available in this coursebook You'll discover The three pillars of Hyper Speed AIM that change how you think about marketing forever The seven layer AI marketing stack that creates exponential competitive advantage How to create 100 articles per week without writer's block The email automation sequences that convert 8% to 12% of subscribers into customers How to automate your sales funnel so it generates leads while you sleep The exact social media strategy that built a 100K audience organically Advanced AI tools that most marketers don't even know exist How to scale your business without hiring a large team Every chapter ends with a practical secret that multiplies your results Every section includes real numbers and real outcomes Every framework is battle tested in the field If you're tired of digital marketing moving at a snail's pace if you're frustrated watching competitors with bigger teams get better results if you're ready to operate at a different order of magnitude this book is for you This is the book that digital marketing legends are writing about This is the playbook that will define your next decade For Employees If you work in marketing this book will make you invaluable to your organization You'll be able to propose and execute strategies that competitors can't match You'll become the person who delivers 10X results For Freelancers If you're a digital marketer selling services this book teaches you to deliver in days what competitors take weeks to complete You can charge premium rates You can scale your income without working more hours For Entrepreneurs If you're building a business this book gives you the playbook to execute marketing that rivals companies 10X your size You can compete with limited budget and team You can grow faster than traditional businesses can scale For Marketing Agencies If you run an agency this book shows how to deliver 5X more value to clients while reducing your operational costs You can take on bigger clients You can charge premium rates You can scale your agency predictably For Anyone Worried About AI Replacing Them If you're concerned AI will replace marketing professionals this book shows the opposite AI amplifies good marketers It makes them more valuable not less The future belongs to people who can direct intelligence not those who ignore it **Douyin, TikTok**
